AMERICAN HERO

In almost doppelganger-like fashion, a 31 year old Ohio woman plead guilty to posing as a teenage boy to trick teenage girls into sexual experiences.

Patricia Dye's descent to an almost unthinkable low resulted in charges of sexual imposition for her actions.

So for living the plot of "Boys Don't Cry" 11 years after production, keeping it preposterously sleazy and preying on teenage girls half her age, Dye is this week's American Hero.
