McMillan is a self-professed karate expert and represents the "Rent Is Too Damn High" party, whose platform is to freeze rent prices, followed by a reduction of rent in addition to the establishment of a cap on rent prices. For upholding his party's platform with ridiculous antics and publicity stunts and for being the Mr. T of politics, we salute you Mr. McMillan and we agree, "the rent is too damn high."

We at the Clarion are already making our own "Stop Palin 2012" signs. For purchasing information, contact us at clarion@brevard.edu (just kidding).
