**Taurus (April 20-May20):** Using MTV as your main news source is possibly worse than citing Wikipedia in an academic research paper.  
 Lucky Advice: Don't Do It

**Gemini (May 21-June 20):** Campus Life and Security will breach your door with SWAT-like efficiency when they discover that you're downloading torrent-file pornography and eating-up bandwidth faster than the Cookie Monster at a Keebler factory.  
 Unlucky Stun Weapon: Flash-Bang Grenade

**Cancer (June 21-July 22):** When deciding to take a lesson from nature, settling on the canine-like greeting was a very poor choice.  
 Unfortunate Chain of Events: MMA Style Beating Followed By Viral Video

# AMERICAN HERO

We at the Clarion can't help but notice that BC students don't give a flying white squirrel about campus issues.

At Wednesday's campus issues forum, to which all students were encouraged to attend, a whopping three were in the audience.

To those three who did accept the invitation, shame on you for your elitist ways.

So for having more enthusiasm for free pancakes during exam time than you have for bettering the campus, the Clarion salutes your Brevard College apathy.

Step in. Stand out.
