

## Brevard Christmas parade

This Saturday Dec. 3, the Brevard College Athletic Department will be helping with the City of Brevard's annual Christmas Parade. All Brevard College athletes will be in attendance and possibly some of the local high school athletes. This tradition allows for all the athletes to show their respect and appreciation to the community of Brevard. This is also a time to prepare for the holiday season; we plan on starting off December with the Christmas spirit! The parade begins in the afternoon and will be starting at Brevard High School, continuing down Broad Street until it ends back at Brevard College.
