Gay Resource List to be Revised

Is there a bookstore in Durham that stocks "Gay Commix?" Or one in Chapel Hill that stocks a national gay weekly newspaper? Is there an organization of gay Catholics in the Triangle? Gay Jews?

The answer is, Yes. You could have found these and other resources by and for gay people in the Triangle Area Resource List. Lambda compiled and published this annotated listing in the spring of 1981. Many of the listings have changed, and other organizations have requested to be included. So, CGA will be printing a revised and expanded Resource List next spring.

If your organization/group/business would like to be included in the Resource List, complete the blank below and return it to us; a volunteer will then contact you. Or if you know of a group or business that would like to be included, give this blank to them to complete.

Group or Business _____	Contact Person _____
Address _____	Phone # _____
City/state/Zip _____	What time can we call you _____ (days, hours)
