

F. N. & R. Z. EDGERTON, LOUISBURG, N. C.

(Established 1877.)

It has been the policy of this house at all times to give its customers the very best values possible on every item sold them. That we are doing this is thoroughly demonstrated each day by the continued patronage of customers who started out with us thirty years ago; by the many new customers added every year, and by the large mail order business, some of which comes from cities five to ten times the size of Louisburg.

OUR SPECIALTIES.

Ladies' and children's dependable Shoes of best makes at rock bottom prices.

Millinery: This stock is carefully selected and is presided over by the best milliner that comes to the State. Our trimmed hats are exceedingly reasonable in price.

Dress Goods: This department embraces all that is best in style and quality, and our prices are simply unmatched. We have at all times plen-

ty of decidedly new things to claim your attention. Samples cheerfully given.

Furs: We set the fashion in furs, and suit every fancy and every purse.

Coat Suits, Ladies' Coats and Children's Jackets: This department contains values which we believe are not equalled by any other house in the State. An order placed with us for a Coat Suit or Coat will prove a saving of from 10 to 25 per cent.

To the Alumnæ we send greetings, and our best wishes, and ask for a continuance of their patronage. We appreciate orders sent us by former students or their friends.
