Volume XVII

Louisburg College, N. C. November, 1957

Number 1

Shown above is Mr. De Hart instructing history in one of the new classrooms in the now modern Davis Building. New blackboards, fluorescent lighting, and new desks are some of the features which now make the students enjoy going to class.

Renovation Of Davis Building Takes Place During Summer

In 1911 Davis Building was erected to memorialize the service of the Davis family to Louisburg College. The building was used at that time for classrooms and as a girl's dormitory.

On May 27, 1957, work began to remodel the Davis Building. The work continued throughout the summer, and the building was completely renovated by the beginning of the 1957 school term.

The citizens of Franklin County in a fund-raising campaign headed by Mayor George W. Dennis, contributed to the renovation work the sum of \$50,000, with the total cost of the building being around \$70,000.

The Davis Building provides four beautiful classrooms, seven offices for faculty members, a three-room infirmary, a dark room for developing pictures, two bathrooms, and five faculty apartments.

The architects for the project were Thomas, Harles, and Edwards of Rocky Mount; the contractor was the William C. Vick Construction Company of Raleigh.

A number of college students helped with part time work this summer. They included John White, Tommy Brisson, Noah Sadler, K. T. Pearce, H. G. Hodges, James Turner, Jimmy Harris, William Chesson, Bobby Tyson, and Gerald Brooks.

The renovation of Davis Building now solves the problem of additional classroom and office space. In past years only the first floor was used for classrooms. Now the first and second floors are completely utilized with botany, zoology, biology, and history courses taught on the first floor, and English and foreign languages on the second floor. The infirmary is now of much greater service because it has been arranged to accommodate many more students than in the past. Fluorescent lighting can be found throughout the building, and tiled floors are also in evidence.

Three Added To Faculty

Louisburg College gained three new faculty members and one staff member for the 1957-1958 term. They are Dr. Felton R. Nease of Durham, Mr. and Mrs. S. Allan de Hart of Charlottesville, Virginia, and Mr. Thomas Patterson of Erwin.

Dr. Nease, who teaches the biological sciences, is a native of Oklahoma. He attended Cameron Junior College, Lawton, Oklahoma, and the University of Oklahoma, from which he received his B.A. and M.S. degrees. He was awarded his Ph.D. degree at Duke University in 1953. Dr. Nease has taught in high school and was an instructor at Duke. From 1942-46 he was a member of the Medical Corps attached to the Air Force. From 1950-52, he was head of the Botany Section of Ecological Survey Authority at Oak Ridge, Tennessee. The subject of his Ph.D. dissertation was "Fission Product Contamination and Its Effect on Vegetation of White Oak Creek, Tennessee."

Mr. S. Allen de Hart received his B.A. degree from High Point College and his Master's degree from the University of Virginia. He has also completed all his class work for the Ph.D. degree. Mr. de Hart has been an instructor in the Virginia National Guard, the U. S. Army, and has served as pastor in the Virginia Conference for several years. He is teaching history and is director of religious activities at Louisburg College. When asked his opinion of the College, Mr. de Hart stated, "I am favorably impressed with the faculty-student relationship and the cooperation of students in college activities."

Mrs. de Hart, the former Flora Ballowe of Farmville, Virginia, states as her opinion of the college, "I have found the most impressive features here to be the friendliness and co-operation among the administration, faculty, and the students." Mrs. de Hart received her A.B. degree from Longwood College, Virginia. She has completed all class work and has done the research for her Master's degree. During the past summer she studied at the University of London, England. Mrs. de Hart teaches English and Spanish.

Mr. Thomas Patterson, of Erwin, is Director of Public Relations here on campus. He was graduated from Louisburg College and from the University of North Carolina. His main job is recruiting new students. He also attends to Alumni affairs. Mr. Patterson was impressed very much by the friendliness of the students. He stated the school has changed since his graduation, and he is glad to be back, this time as the Public Relations Director at Louisburg College.

Honor Roll Is Released

The honor roll is open to students in all fields of endeavor. There are two divisions of the honor roll. These two divisions are the Honor list and the Honorable mention list. To be eligible for the Honor list for the following semester one must have a standing of 2.5 or above for the past semester. If a student has a standing of 2.0 to 2.5 for the past semester's work, he is eligible for the honorable mention list. The following students have the distinction of being on the honor roll for last semester.

Name	Standing
Bettie J. Harris	2.82
James Turner	2.82
William T. Jones	2.63
Bob Andrews	2.60
Gerald Bunch	2.60
Hannah Clayton	2.50

Honorable Mention

Claudyne Hight	2.47
Patsy Moss	2.41
Jon Hollengreen	2.40
Ed Hicks	2.38
Betty Delbridge	2.36
Jack Faulkner	2.35
Avery Dennis	2.33
Worth Cotton	2.25
Joyce Parris	2.24
Ted Garrett	2.23
D. M. Tyson	2.23
Jim Fine	2.20
Betty Newton	2.13
Floyd Ammons	2.11
H. G. Hodges	2.11
Henry C. Jenkins	2.10
Joe Layden	2.07
Bob Berry	2.00
Dwight Byrd	2.00
Pete Miller	2.00
Sam Moore	2.00
Luther Sanders	2.00
Wilson Woodhouse	2.00

CLUBS AND FRATERNITIES HOLD ORGANIZATION MEETINGS

Sylvia Whitfield of Kinston has been elected president of the Louisburg College Chapter of Future Business Leaders of America for the 1957-58 session. Other officers for the year are Gwynn Torrence, Durham, vice-president; Nancy Cloer, Aberdeen, secretary; Jay Thompson, Weldon, treasurer; and Barbara Page, Burlington, reporter. Cecil Modlin of Farmville has been named photographer for the Chapter with Jimmy Seagroves of Sanford as assistant.

These officers were suggested by a nominating committee composed of Claudyne Hight, Louisburg, chairman; Betty Jean Harris, Roanoke Rapids; Jimmy Ballard, Wilmington; Edith Wells, Henderson; Shirley Calloway, Raeford.

Sylvia Whitfield presided as temporary chairman over the first meeting of the year which was held on September 25 in Room F-108 to acquaint prospective members with the history, goals, and purposes of FBLA. This information was provided by Claudyne Hight and Sylvia Whitfield, who were members of the Louisburg College FBLA last year, and by three students who have formerly been members of high school chapters: Judy Ammons of Fayetteville, Sylvia Whitehead of Scotland Neck, and Dottie Pfeiffer of McKenney, Virginia.

Since the first meeting two other meetings have been held: one on October 2, for the purpose of electing officers; the other, an executive board meeting, on October 10 for the purpose of discussing plans for future programs and activities.

Notification came during the summer from national headquarters in Washington, D. C.; that the Louisburg College Chapter had been named as one of the Gold Seal Chapters in the nation for the school year 1956-57. The certificate which accompanied the notification reads in part: "This certifies that Louisburg College, Chapter 1236, received recognition as a Gold Seal Chapter at the sixth national convention in Event 16, school-community relations." The work done during the past year was under the direction of Grace

Kennedy, president, of Gold Sand. Miss Adelaide Johnson is sponsor again this year. Mrs. I. D. Moon, teacher of office practice, machines and business law, and Mr. Robert G. Stanley, dean of men and teacher of accounting, are serving as co-sponsors.

VETS CLUB

The Vets Club has met once this year for a business meeting to elect officers. Elected as the new officers were the following: President, Don Tripp; Vice-President, Wayne Winstead; Secretary, Freddie Davis; Treasurer, Jorge Goritz. Plans were made for the Vets' party which was held Friday night, October 11, 1957. This party was arranged so that all the Vets and their dates could get to know each other. A barbecue and Brunswick stew supper was the feature of the evening. This was followed by a dance and group singing and a vocal solo by Doug Felts. The Vets' Club have voted to be a beneficial organization to the school this year.

THE FRIENDSHIP CIRCLE

The Friendship Circle is an informal gathering of the religious majors and other Christians on the college campus. They meet each Monday night at 6:15 p.m. in the Little Chapel. There in fellowship they pause to meditate and listen to God's words as one of their fellow students brings a brief devotion. Prayer, the very strength of our Christian life, is the central tie for this group.

THE WOMEN'S STUDENT COUNCIL

The duty of each student is to help others refrain from the violation of any regulation. The Women's Student Council must see that all the regulations are carried out; thus, it becomes necessary for the council to have meetings. The Women's Student Council has regular meetings every Monday night.

On the other hand, the Council
