"Hurricanes Hot at Holton in '63"

During the 1962-63 basketball season the Louisburg College quint turned in an unblemished 10-0 record at Holton gym in Louisburg. The entire season ended with a 17-7 log and the Conference Championship.

"Ex-L.C. Diamond Sluggers in Pro Ranks"

Two Louisburg power hitters were signed from the 1963 baseball squad. Jimmie Durham, who saw action in both the outfield and infield last season, and Bill Patterson, who operated in the outfield, were signed by major league ball clubs last year. Louisburg 86 Newport News 68

Fresh from a 75-point victory over Elizabeth City, the Louisburg College Hurricanes continued their torrid scoring spree and thumped Newport News 86-68. It appeared as though the Shipbuilders were setting their sights on an upset by their first half performance, but the Hurricanes came back strong after intermission to run away with the contest. Doug Reid led the Hurricanes with 23 points, followed by Roger Morrison with 17, Ricky Creech with 13, and Bobby Howard with 12

Louisburg 101 Chowan 74

For the third time this season, the Purple and White whirled past the century mark. The victims of their latest spree were conference rivals, the Chowan Braves. Chowan could not stop the balanced scoring attack exhibited by the Hurricanes. Five L. C. men hit double figures. They were Jim Goodrich, 13; Bobby Howard, 18; Roger Morrison, 15: Doug Reid, 18; and Bennie Dean, 16. Every man on the Louisburg squad hit the scoring column. H. T Pope and Steve Lamm looked very impressive in their reserve roles.

East Carolina 72 Louisburg 70

The Bucs of East Carolina won revenge of an earlier 78-77 licking from Louisburg. A drab, unenthusiastic crowd solemnly witnessed the two years. The few students who did attend the game seem to be more interested in shouting their own personal cheers rather than the outcome of the ballgame. This "student-don'tcare" attitude and a somewhat offnight for the Louisburg club was the recipe for defeat. Roger Morrison turned in a brilliant effort with 20 points, numerous blocked shots, and many rebounds. Bennie Dean kept it close with his clutch baskets and a total of 19 points. Doug Reid added 15 in a losing effort.

Louisburg 96 Ferrum 69

The Hurricanes swept to their third conference victory without a defeat tonight against an outclassed leading all L. C. scorers with 19 points followed by Bennie Dean with 14, Roger Morrison with 13, Bobby Howard with 12, and Jim Goodrich with 10. Ricky Creech was outstanding on the boards and blocked his usual countless shot attempts.

N. C. State 79 Louisburg 65

With the absence of Roger Morrison, Louisburg could not cope with State on the boards and were held to their season's low in scoring as the Hurricanes bowed to the Wolflets 79-65. Bennie Dean and Doug Reid again led the scoring with 18 and 16 points respectively while Jim Good-

This would seem to have been enough to merit them the reward of representing the Atlantic Coast Conference in the NCAA Basketball Tournament. However, due to some ridiculous ruling in the ACC, Duke had to prove themselves once again in the post season tournament. The ACC and the Southern Conferences are the only which require such a fatuous ruling. The only possible explanation for the ruling is of course—\$\$\$\$\$. To satisfy the currency crave of the Atlantic Coast Conference dignitaries, why not revive the Dixie Classic or have some other holiday tournament? With the return of the Classic or another such tournament, the post season tournament would be even more absurd than it is at the present.
