Coach Drake helps prepare Butch English for a successful year for the Canes.

Whites Defeat Blues 73-54 In Intrasquad Scrimmage

By: Phil Spears

The Whites led by Terry Davis and Bill Moran blasted the Blues in this year's annual Blue - White game.

Davis pumped in 22 points while grabbing 8 rebounds. Moran added 14 points and 8 rebounds.

Last year's star, Larry Paschall, ended up with 13 points and played an excellent floor game. Sandy Frazier also scored 13 points to round out the top scoring for the Whites.

A bright sport for the Blues was the outstanding play of

guard George Bowden. Bowden poured in 18 points and also grabbed 9 rebounds, which was a game high. Butch English and Ricky Richardson also played well, scoring 10 and 8 points respectively.

The Whites led almost the entire game, and the outcome was never really in doubt. Perhaps the difference in the game was the shooting percentages. The Whites made 40.6% of their shots, while the Blues only made 30.1%. The board play was even, with each team

getting 26 rebounds.

Coach Enid Drake seemed pleased with the over-all performance of the squad.

"At this stage of practice, the boys played exceptionally well. The team's ball handling was good, but the shooting percentages need to improve and will as they play more," said Drake.

The Hurricanes' first game is November 13 against Kittrell. Everyone is cordially invited to attend.

Cheerleaders Are Named

The Louisburg College Cheerleaders for the 1969-70 basketball season were named this week. The list of the members includes Jane Kelly, Linda Ditchburn, Pam Lewis, Dianne Rogister, Ginger Smith, Peggy Strickland, Sonny Sherrill, Steve Marafine, and David Allen. Jane Kelly and Sonny Sherrill were elected captains while Pam Lewis was elected co-captain of the squad.

The cheerleaders were selected by a group of twelve judges who based their selections on the candidate's appearance, pep, and cheering ability. The judges, Coach Frazier, Coach Lanier, Miss Cooke, Dean Patterson, Mr. Jones, Mrs. Frazier, Leighton Strader, Tony Gupton, Larry Paschall, Gene Rawlings, Terry Davis, and Vicky Isles, voted on the candidates and announced the results on Thursday, October 23. Dianne Rogister, Ginger Smith, and Peggy Strickland were the top three finalists.

The entire squad is looking forward to a very successful year and evidence of this spirit is reflected in their motto: "If your team's gonna win---you've gotta yell!"

Soccer Invades Intramurals

It is that time of the year again and the fast moving, challenging game of soccer has again invaded the intramural program of Louisburg College. This year the rules of soccer are very close to those of NCAA soccer, except for a few minor changes. For instance, the periods are shorter; in our program there are four ten minute quarters instead of the regular four twenty minute quarters, the field is smaller, the goal area is marked differently and the rules are not quite as strict as those of NCAA soccer.

Coach Lanier was asked if the sport was popular among the students. He said, "The people who participate in the program seem to be extremely interested, and the participation is quite good. We're getting good results from more

than half of the floors." Coach Lanier added, "Injuries are few, though there have been a few bruises and scratches, there has been nothing serious."

Soccer seems to be a sport unknown to most, especially in the North Carolina Area, but Lanier feels that with time soccer will grow in popularity as it has done among many of our colleges in the northeastern United States. The popularity of soccer in this area is about fifty-fifty.

Coach Lanier plans for the soccer season to last until the Thanksgiving Holidays in November. As for a tournament and championship game, there won't be one. The champion will be the team which takes first place in the regular standings.

Bridge Tournament To Be Held

The Recreation Department will sponsor a bridge tournament Tuesday evening, November 11, from 7:30 until 10:30. It will be held in the Benjamin Duke Cafeteria and is open to college students and residents of Louisburg. A tournament open to college and students only will be held during the spring semester. Trophies will be awarded to the winners of these tournaments.

Party Bridge will be played. In the first two hands no one is vulnerable and there is a 300 point bonus for the game in hand. During the last two hands everyone is vulnerable with a 500-point bonus for the

game in hand.

The head table will set the pace for progressing. In the event that a table has not finished four hands by the time the signal is sounded for progression, the players must progress and the couple with the highest score receives the 250 point bonus. At the conclusion of the fourth progression, scores will be recorded and trophies awarded.

The Recreation Department encourages interested persons to register for this tournament on the registration forms provided in the cafeteria.
