Negative Love

I gave myself to you—
in spite of my doubts
in spite of my misgivings
I gave myself to you—
mind . . . body . . . soul
And what did I get in return?
My mind—you brainwashed with
thoughts
and desires of pleasing you only.
My body—you used to quench your
desires—not really making love.
My soul—you exorcised to the point
of no return—to the point where I
can only dream of you and how
very
much I love you.
And for what?
I gave myself to you—
my love and my heart
dedicated beyond a doubt.
I gave myself to you
and you gave me NOTHING.
I gave myself to you—
and you gave me HELL.
But now—I have been redeemed,
And I give myself to you
no longer!!

Positive Love

I give you my love year round. . .
Day after day after week, month, and
year. I give you my love for a life-
time, and forever and a day. I will
love you and will always be here for
you.
I love you so blindly, so completely, so
earnestly, and so unselfishly that I
will
not only be here for you when you
need
me, but even when you think you don't
need me. I will love you totally as long
as you return my love and fulfill my
needs, and I will love you even when it
seems as if you no longer care, and I
must fulfill my needs with only
memories
of you. And when times cause me to
feel
that I can no longer care or love you
no
deeper, I will go emotionally and
mentally
beyond my human capabilities and
love you
deeper than is known to be humanly
possible!
