

A Dark Hole

last night i looked within my heart
for an
answer
an answer to the question lingering
in my soul.
I searched, finding only b-r-o-k-e-n
pieces of my life.
i dug deep and saw darkness.
the smell of fear was too real.
i shook my head in confusion, think-
ing it was only
a dream.

-anonymous

You are my King

My heart yearns for HIM
HE is one I can not touch
HIS personality is strong
my emotions weak
ready to spill over into a bucket of fear
HE clams my sould and puts my heart
to rest
HE IS MY KING
The one and only GEM that Sparkles in
my life

A puddle of TEARs

The tear falls from my face
It hits the pillow, spreading as it does
It's coolness kisses my cheek
my hand touches face ever so lightly
My emotions seem to be endless
