

# Black Parent's Weekend

April 6-7, 2001

**Top:** Say "cheese" Kim Washington and family! Get in a little closer brother who'd rather be playing video games.  
**Left:** Patrice High and family get the award for most convincing display of affection.  
**Right:** That's news writer of the year April Bethea. Hint: the one in the back.

**Left:** Freshman Renee Jackson and her mother could be twins. I wonder how many times they get, "I'm sorry Miss Jackson . . . I am for real."  
**Top Right:** Hail to the BSM's very own first family, a.k.a Tyra Moore and parents.  
**Bottom Right:** Get your grub on! Does anyone want to play, find Brigida Mack's younger sister?
