## Spring Week Activities Set

There's something about spring that brings forth special feelings in people.

For the past month, when the sun was shining and the weather was warm, students here at Gaston have been taking advantage of the climate and gathering around the courtyard, in the grass, or wherever they could find to enjoy the sunny skies.

To climax all the good feelings floating around campus, it is appropriate to celebrate with a week of extraordinary activities.

Each year, Gaston celebrates spring and the approaching graduation with its annual Spring fling, "Spring Week." This year will be no different.

"Spring Week," which is sponsored by the Student Government Association (SGA), is a time when students can really let themselves loose from the every day hassles of classes, home and work.

Beginning on Monday, April 25 and continuing through Friday, April 29, Gaston College has something planned for everyone.

Several bands, such as Chairman of the Board, Willow Creek, Doc Holliday, Shady Grove and The Vandals will be on hand for music lovers.

Also planned is a male and female pretty legs contest, a fishfry, a cookout, a talent show and a student-faculty softball game.

Clubs around campus will have booths set up Monday with displays, food, drinks, and organized games.

Much time has been spent in the preparation and scheduling of all the activities. The SGA hopes that all students will attend and will enjoy themselves.

The activities are free. Students have already paid through the activity fee.

The "Spring Week" schedule is as follows

The tee-shirts are gray and feature the Budweiser logo and slogans. Other selections
