### Mars Hill Stunned 14-7 By Bulldogs Intramural Squads Open Season

J. T. Davis, aided by a strong stubborn line and swift moving backs, sparked Gardner-Webb to a 14-7 win over their Baptist Brothers at Mars Hill Saturday night.

A slow arizzle slowed up Gardner-Webb's ground game although they pushed over one touchdown in the second and one in the third period.

With one minute and 30 seconds remaining in the first half, center Jerry Hawkins fell on a Mars Hill fumble on the Mars Hill 45 yard line and in three plays, J. T. Davis, Bobby Crews, and Bob Tobin carried to the 11. When two line backs yielded no yardage quarterback Johnson pitched out to Davis who circled right end for G. W.'s first touchdown. Tommy Sheets added the conversion.

Crow returned Sheet's kick-off to his own 45; with five seconds remaining in the first half. Crow's fumble was picked up by Sheets, and returned to Mars Hill 16, where he was brought down from behind by Crow just as the half ended.

With five seconds remaining in the 3rd period, Bill Gamble parachuted on a Mars Hill fumble at the Mars Hill 10 yard line. After a five yard penalty, Johnson faded back to hit Davis with a strike for Gardner-Webb's second T.D.; again Sheets converted.

If you do the best and most you can today, don't worry about tomorrow.

Gardner-Webb intramurals got underway during the past week as the dormitory teams began to bump heads in touch football. A full program has been planned for this year, and it should round out into good shape if the students will participate.

In the first games of the season the Basement defeated the small but scrappy First East 7-0; highly favored Huggin Curtis crushed the Second West 13-0; 1st West and Second East battled to a deadlock 6-6.

The remainder of the football schedule will be announced next issue.

Everyone thinks the Basement has the championship sowed up, but a word to wise—don't underestimate the First East boys along with the Second East for they are going to be in there to give the Basement a run for their money.

This program can succeed if the students want it. With the proper amount of enthusiasm, an excellent intramural schedule can be worked out for the rest of the school year. It is up to you!

Our greatest glory consists not in falling, but in rising every time we fall.

## MR. FOOTBALL

From the musty smell of the locker room where for many years players after players has hung his sweat stained gear, there arose a discussion among a group of players. Several years ago in one of the national magazines there was an attempt made to pick one player among the nation's college teams who would be typically "Mr. Football." The question was just who or what was typical in football.

Football is born young in men. The desire for competition for groupings together against a rival group for the sake of winning. The earliest lesson is that individuals only serve to compose teams. From this we assume that "Mr. Football" is teamwork.

Not only that but "Mr. Football" is game time nervousness, a band, cheerleaders, mascots, point after touchdown-wins, crowds, fall weather, homecoming, and one of the biggest reasons rivalry.

At G. W. we have our own ideas about "Mr. Football." He is a preparation for a life of living among people. He is the heritage that causes men often times to go a step further to the aid of a man in need of help. When there is teamwork in any phase of life there is happiness. When people begin to drop teamwork, and begin to live as individuals, there is strife, malice, and in international affairs, this leads to war.

When men learn early that teamwork is essential for life, as men learn early in football that teamwork is essential, then their achievements in life come easier. The same with football; when a team learns early that teamwork is the essential element to a goal winning game becomes easier.

In concluding, and in assuming that "Mr. Football" is teamwork, we salute "Mr. Football" here at Gardner-Webb and hope that he will be carried through all phases of our school.
