Can a river raise its head?  
Can you bring relief to a window pane?  
Can you mend the break of day?  
Is an undertaker's business dead?  
Would you paint a rabbit on a bald man's head just to give him a little hair?  
Which he feels secure and important. Some of "gangs" are made up of juvenile delinquents. This could be the beginning of the young person's career in real crime. When an older friend of a child fails to live his life as a good example for his young friend to follow and fails to give him counsel that has helped him, the child will probably make more mistakes
