The first home football game of the year will bring the Gardner-Webb Bulldogs in combat with the Western Indians, on September 18 at 7:30 in Spangler Stadium. Many festivities have been planned for this first home game.

Beginning at 3:00 in Spangler Stadium, the Trinidad Triplot Steel Band will make a return performance to Gardner-Webb. This group is composed of young men from Trinidad who make music by playing steel oil drums, regular drums, and other rhythm instruments. They were here last September.

All freshmen are expected to stay for the game and march in the parade to the stadium. One half hour prior to kick off, freshmen are to assemble in the parking lot at Bost Gymnasium and march to Spangler stadium. They are to sit in a body during the first half of the football game. After halftime the freshmen will be able to discard of their beanies.

The activities will also include the annual Band Night before the game. During this event many areas are represented by their high school bands and majorettes.

This year the following schools are represented: Chester High School, Chester, S. C.; Cherryville High School, Cherryville, N. C.; Polk County Majorettes, Mill Springs, N. C.; Chase High School, Forest City, N. C.; and Easley High School, Easley, S. C.

The Chapel programs for first semester include Faculty Day on September 21, in which the entire program will be presented by the faculty.

On October 14 (Thursday), Jo Ann Shelton, soloist for Billy Graham, will appear in chapel. Mr. Jolley will lead up the annual Founders Day on October 19.

Student Day is October 26, with only students participating. On November 11 (Thursday), Dr. Charles Hirt, President of the American Choral Directors Association will be the guest in Chapel. Mr. Jim Horn of the Juvenile Probation in Shelby will speak on November 16.

Jesús Movement

Gardner-Webb students were brought up to date on the latest religious movement which is sweeping the country—the Jesús Movement.

Walker Knight, editor of Southern Baptist Home Mission Magazine, was the chapel speaker who related his experiences with the Jesús Movement. Mr. Knight spent several days traveling with this group in their trek across the country.

Johnny Cash To Receive Doctorate From G-W

Johnny Cash, internationally known singer, TV personality and movie star will be held in on Gardner-Webb's campus September 28 for a concert, dinner and convocation where he will be awarded a Doctor of Humanities Degree.

Tentative plans call for a morning concert including the entire Cash troupe with the Carter family and June Carter (Mrs. Cash) as the special attractions. Following the hour long concert there will be a dinner in the cafeteria for specially invited guests. The convocation will be held in the

afternoon. The concert and the convocations will be held in the Ernest Spangler Memorial Stadium. Should the weather be bad both events will be moved into the Bost Physical Education Building.

Cash is expected to arrive early enough on the campus for a tour. He has asked that a group of students take him on a campus tour.

The Faculty Educational Policy Committee voted to give the singer the doctorate on the basis of "his contribution in combating the

drug problem, working with those with the problem of alcohol, and rehabilitation of those confined in our prisons."

The action of the faculty committee was approved by the executive committee of the Board of Trustees. The degree will be conferred by Dr. E. Eugene Poston, president of the college.

Dr. Thurman Lewis, Professor of Biblical Languages, is the general chairman of the day-long activities.

The activities at the stadium will be open to the public and every effort will be made to provide an opportunity for everyone wishing to attend to get a seat.

Every effort is going to be made to provide adequate seating for the student body at the two events in the stadium. Final plans have not been completed as to the seating arrangement.

Should it rain and the program be moved inside closed circuit TV will be installed in Hamrick Auditorium and in 101 Science Building.

Merchants Sponsor Appreciation Week

Gardner-Webb College Appreciation Week sponsored by the Shelby Merchants Association will be held this year beginning Thursday, September 16, and closing Saturday, September 18, with the Newberry College football game.

Last year scores of Shelby merchants offered valuable prizes to students who registered in their stores. The registration is open to all members of the Gardner-Webb family, students, faculty, staff, and administration.

This issue of the PILOT carries a list of all the merchants taking part in the Appreciation week. Everyone in the Gardner-Webb family is urged to visit these merchants and to sign registration slips. Registration begins Thursday and will continue through 3 o'clock Saturday. Winners will be announced as soon as possible.

Students and faculty members

may be called upon to show their identification cards when they register. So be sure that it is available. Registration is limited to once each day of the three day period.

Already the price list is growing. Included among the early prizes announced is a portable TV set and a portable eight-track record player. Last year many other prizes including automobile tires, clothing, watches, rings, shoes, hanging food, haircuts, permanents, cosmetics, and many other gifts were offered by the merchants.

The Shelby Merchants Association has already shown their interest in creating school spirit at the Web by providing red and white "Go Bulldogs" bumper stickers for students and faculty cars.

Leadership Conference

The second annual Student Leadership Conference was held this year on Saturday, August 21, 1971 in the Charles I. Dover Campus Center. Due to the fact that it was just before school started and many were still working or on vacation, the response of the 80 invited student leaders, was low.

There were only about 24 students present. Sixteen faculty members attended. Invitations were extended to the Board of Trustees and Board of Advisors, but none responded. One member of the Board of Associates was there. Eleven administrators were present.

Even though the response was weak, the conference was enriching in many areas. The purpose of the conference was to get leaders involved in student life and to bring gray questions to the surface.

Discussions were under the headings of SGA of Gardner-Webb, Campus Life, Academic Life, and Business Life, with representatives from each area reporting. "Communication, Responsibility, and Honesty" were in the foreground throughout the conference and are hoped to be used throughout the school year. Dr. Poston spoke at the dinner which closed the meeting.

Briggs Assumes New Position

As always Gardner-Webb stays in a period of renovation. This year a newly organized program concentrating primarily on the student's out-of-class activities has been formed entitled "Student Personal Services." Mr. Bill Briggs is the new coordinator.

Mr. Briggs' duties are contained under three major headings: (1) Student Welfare Services, financial aid, counseling, etc. (2) Student Activities Services, SGA; and (3) Student Development Services.

The previously held titles have been changed somewhat and listed below are the new breakdown service titles:
The Director of Student Affairs has been changed to Associate Coordinator of Student Personnel Services with Mr. Tom Poston as head.

The Assistant Director of Student Affairs for women with Miss Ruth Kiser is now entitled Student Affairs (women). The Director of Student Affairs for men is Student

Affairs (men) under Mr. Banner. The Director of Counseling and Guidance is Dr. Dan Proctor, and Mr. Lyman Ferrell is the College counselor.
