Gardner-Webb College

BOILING SPRINGS, NORTH CAROLINA

KEITH CARSON, NEW CAFETERIA MANAGER.

Carson Assumes Cafeteria Position

Keith Carson has taken over the job of manager of the cafeteria. Mr. Carson replaces Mr. Branch, who is now working at Anderson Junior College. The new manager moved from Bethel College in McKenzie, Tenn. to take over the Gardner-Webb position.

Mr. Carson who is a native of Concord, N.C. has been with the ARA food service for six years. He had previously worked at Davidson before moving to Bethel.

His wife, Janet, is from Covington, Tenn. They are newlyweds. The two who were planning to marry this summer had to move the date up because the ARA food service had other plans. The Carsons who married Feb. 5 are now living in the College Road Apartments.

The rewriting of the menu will be Mr. Carson's first concern. He is asking ARA to send a dietician to study the situation and plan a better menu.

He is also concerned with the waste problem. He encourages students to be careful and not to get more than they can eat. There is nothing wrong with getting

seconds, but to waste it is hurting the students. It is estimated that 10' out of every dollar is wasted. This is the student's fault and money.

The glassware, dishes and silverware are quickly disappearing. Mr. Carson requests that students please return these. This hurts and will eventually cost the students in having to replace them.

If the students are able to cut down on this waste, the money will be used to improve the food. Mr. Carson is also willing to get to know the students and their problems concerning the food service.
