Student Voice

UNCW students take their entertainment seriously, including what their options are in terms of music. Freshman Jon Foster gives his opinion on the Wilmington scene. "It's kinda sketchy for punk-oriented music. All shows you have to be 18 and over. It's not good. If you can't have the kids go, what's the point? It should be all ages, 5 bucks at the door. Some of my friends from Winston-Salem played at Culture Shock. The turn-out was not big; not even for local Wilmington bands. There's no base. If someone would start a club where everyone can play, all ages/all genres, that would get people interested," said Foster.
