

Question of the Week:

What do you want to see SGA do for the student body?

Student Voices:

JARED ARNETTE,

junior

Next year the SGA should get what the majority of the student body care about so they can become aware of the issues and what it can do for the student body. The SGA title should be used on university issues that concern the entire student body and not as the elected student's high point on their resume after graduation..."

ERIN ROMNEY,

junior

"More music on campus, have local bands playing here at lunch time on nice days."

JOE O'SHAUGHNESSY,
junior

"The SGA needs to put out more press as to what they are voting for and when. Like the clock tower - why did no one oppose it?"

ALLISON BURRALL,
sophomore

"I don't think the SGA can do something for us because the adults have too much power and the politics are too corrupt for students to ever have an impact on the rest of campus..."

Want \$25,000+ for college?

The Army Reserve can help you take a big bite out of college expenses.

How?

If you qualify, the Montgomery GI Bill could provide you with over \$7,000 for college or approved vo/tech training.

We'll also pay you over \$107 a weekend to start. Training is usually one weekend a month plus two weeks' Annual Training. By adding the pay for Basic Training and skill training, you'll earn over \$18,000 during a standard enlistment.

So, if you could use a little financial help getting through school—the kind that won't interfere with school—stop by or call:
