

## Horoscopes for October 30 through November 5

**Aries (March 21-April 19).** Let your conscience be your guide on Monday. It'll be harder on Tuesday since that little voice may tell you something you don't want to hear. Around Wednesday you start feeling agitated and eager to take action. If you wait until Thursday and plan all the possibilities before making your decision, your chances of success improve. On Friday you may have to defend your position, especially if money's involved. Be ready to account for everything you've spent. Hold off on shopping Saturday. If you can wait until Sunday, you're more apt to choose things you can live with.

**Taurus (April 20-May 20).** You and a partner can bail out a friend on Monday. Don't take a financial risk on Tuesday. Wait until it looks like a sure thing. Confer with your partner on Wednesday and then push your plan forward. You're pushed on Thursday, but that's OK. Stick up for your rights on Friday. Don't budge from what's right on Saturday, and the others might bend your way. Doesn't matter if they do or not, actually. You're a rock. Relax on Sunday and give thanks for a valuable gift.

**Gemini (May 21-June 21).** You're anxious to get going Monday, but don't jump the gun. Something you learn by Tuesday could change the direction you're headed. A friend's in a tizzy Wednesday and Thursday. Advise discretion and guard against gossiping yourself. You'd only make matters worse. Settle in for the long haul Friday and Saturday. It's OK to be stubborn then. Everybody else is. Your plans start flowing on Sunday. That's your best day for launching new projects.

**Cancer (June 22-July 22).** Monday's a hassle, but that night could be romantic. Check out a new foreign restaurant. Surprises at work add stress

on Tuesday. Try not to get rattled; the outcome is positive. You should be prepared for an exam on Wednesday. The boss has a short fuse both then and on Thursday. By Friday the pace slows, not a moment too soon. Plans may change on Saturday, so be flexible. Hide out and read a good book most of Sunday.

**Leo (July 23-Aug. 22).** The money's tied up most of Monday and Tuesday. By Wednesday you're ready, but your partner's not. More complications surface on Thursday and Friday. Don't rush, or you'll have even more messes later. Consult with an older adviser Saturday. Then forget your troubles with friends by playing on Sunday.

**Virgo (Aug. 23-Sept. 22).** Support your mate's ideas on Monday and Tuesday by adding a measure of good common sense. The money is flowing on Wednesday and Thursday, and quick action's needed to stop up the leaks. Work messes with travel on Friday and Saturday; just focus on going as soon as you can. A parent's delighted to see you on Sunday, and then loads you down with goodies and love.

**Libra (Sept. 23-Oct. 23).** Creativity's challenged on Monday and Tuesday. It isn't all easy, but work could pay well. Your partner's obnoxious on Wednesday and Thursday. Don't let your own stresses get into the mix. Check over your checkbook to be sure on Friday. Then shop on Saturday as if you were broke. That way, you'll have plenty for travel on Sunday. An outing with loved ones is richly deserved.

**Scorpio (Oct. 24-Nov. 21).** Watch for surprises when bartering Monday. Find out what you're getting first; then set the price. Wonderful romance could sour on Tuesday. Don't make commitments you can't keep. A household project's expen-

sive on Wednesday. Measure it three times before cutting once. A co-worker's advice helps you fix it on Thursday. Take on an extra job to pay bills then. Familiar hassles with your mate on Friday go through Saturday without relief. Agree to disagree by Sunday; then get yourselves a big treat.

**Sagittarius (Nov. 22-Dec. 21).** Household affairs have you jittery Monday. Keep talking Tuesday, and wisdom prevails. True love emerges from the chaos Wednesday. By late on Thursday the bond has been made. Business demands your attention on Friday. Study Saturday to get the best deal. Hand the car keys to your partner on Sunday. Just sit back and enjoy the great view.

**Capricorn (Dec. 22-Jan. 19).** Something you're learning could explode on Monday, making a mess that takes days to clean up. Exercise caution most of Tuesday. You're learning quickly, but still making mistakes. Financial woes are annoying on Wednesday. You can't buy that great thing you want. Try another store Thursday. What you find there may be better. Romantic feelings stir on Friday. Don't spend too much, though, 'cause that's a turnoff. On Saturday later is better for dating. Finish your paperwork Sunday and read.

**Aquarius (Jan. 20-Feb 18).** Leave your checkbook in a safe place on Monday. Do give some to a worthy cause, though. If they're still pestering you for cash on Tuesday, offer your skills as a way to help. You and an older jerk clash on Wednesday. Too bad this person's the one who signs the checks. Thursday is better, due to a new interest. Friday is slower, but don't give up hope. Sleep in for most of Saturday. You won't compromise and neither will they. Sunday's better for good conversations. Everyone's learning then, even the jerks.

**Pisces (Feb. 19-March 20).** You could have the winning idea on Monday. Distant connections bring higher esteem. Something you're planning starts happening Wednesday. It's not quite what you thought, but it's OK. Ask for the money on Thursday and get it. Study on Friday to upgrade your skills. Postpone your travel for most of Saturday. You can find everything closer to home. Hang out with family and talk on Sunday. You may discover you have more than you thought.

**If You're Having a Birthday This Week ...** Nov. 6: If at first you don't succeed, try another tactic. Don't take a risk with your savings, though. Nov. 7: Polish up your act the first half of this year so you can take it on the road. Start by listing all your promises. Nov. 8: Frustrations with work lead to action this year. The results may be better than you thought possible. Nov. 9: Expect lots of action this year. Once you make up your mind, nothing will be able to stop you. Nov. 10: Looks like a good year to clean house. Something's lost, but more is gained if you do it right. Nov. 11: You're breaking free, but not wildly, this year. It's a carefully calculated maneuver. Nov. 12: Experience is a tough teacher this year, but you'll never forget the lesson. You'll be a better person for it, too.
