Football Rousing Success

The football program has gotten off to a great start. The interest among the boys is very high.

GREY SMASHES GREEN 18-6

Grey started off on the right foot by smashing Green 18-6. Abley led by **Bill Grossman** and **Pete Stephens** the Greys completely dominated the game. The Green was greatly outplayed by the Grey's explosive offense.

ORANGE UPSETS BLUE

The first upset occurred when Orange upset highly rated Blue in a playoff. The score was 12-12. Orange was unable to mount an effective offense but two pass interceptions were converted into touchdowns. The Blue matched that. In the play-offs Orange pushed 10 yards into Blue's territory and victory was theirs.

FACULTY WINS

The faculty in their first game displayed an effective defense and a hustling offense which rewarded them with a 13-6 victory over Red.

GREEN BEATS YELLOW

Green won its first game over Yellow, slipping by 2-0 on a safety. Yellow quarterback, **Jim Wafford**, threw an incomplete pass in the end and that proved to be all Green needed in a defensive battle. For its second game in a row Yellow failed to crack the scoring column.

REDS WIN PLAYOFF

Red won its first game, dropping Orange from the unbeaten ranks in a playoff. It was the Orange's second straight playoff and this time they failed to get the needed yardage as Red ended up in Orange territory by five yards. The game ended in a 13-13 tie.

GREEN SLIPS BY BLUE 7-6

Green intercepted a pass and converted it into a touchdown and made the extra point to take a 7-6 victory over Blue. The Greenies hard nosed defense prevented Blue from making the extra point and came out 7-6 victors, their second in a row.

GREY REMAINS UNBEATEN

Grey remained unbeaten, squeezing by Orange in a playoff by a foot, on a disputed decision by the officials. Orange put tremendous pressure on Grey during the game by an interception, enabling Grey to tie the game, and setting up the playoff.

RED CONTINUES ON COMEBACK TRAIL

Red continued back on the comeback trail with an overpowering 19-0 victory over Yellow as Yellow failed to score in its third straight game. Red was just too much for Yellow but even then they worked hard to win by that 19-0 margin.

FACULTY SQUEAKS BY GREEN

The Faculty continued their winning ways with a victory over Green in a hard fought contest. The issue was in doubt until the end as Green refused to stay beaten, but the Faculty was equal to the task.

BLUE SHOCKS GREY 18-10

The Blue pulled off a tremendous upset over Grey 18-10 to knock the Greys from the unbeaten ranks. The surprising thing about it was the ease with which Blue accomplished the upset. Blue showed the potential that they've had with this victory.

YELLOW SCORES; BUT LOSES 16-6

Yellow scored its first touchdown in the second quarter but it was too late to change the outcome of the game as Orange roared off the field with a 16-6 victory. Orange ran up a 16-6 lead before Yellow scored on the last play of the game. The touchdown play by Yellow was executed beautifully and completely fooled Orange. By the time Orange caught on it was too late. The Lance congratulates the Yellow team on its first score of the year. J.B.

Join The Volleyball Team

Where is our school spirit? Volleyball practice has begun for the girls and how many have gone out to participate! Most of the teams have a possibility of having more than one team. We realize how much work there is to do, but couldn't we arrange our study time and work time and allow for a little recreation two hours a week? As everything else on campus is new and on trial basis, the Intramural program will not be continued unless we all participate one way or another.

Practices have been set up through November 7 in the gym. These practices will be an hour, so please try to limit them and be out of the gym for the next team to practice. Games will probably begin November 8 at the National Guard Armory.

Cheerleaders Chosen Carefully

Miss Bateman reports that over forty girls have gone out for cheerleaders. Because these girls will be chosen to represent the college they will be chosen on skill and performance, leadership, grace, rhythm, pep and enthusiasm, sportsmanship, grades and students who uphold rules and regulations. A committee probably of faculty and students will choose about sixteen girls. L.B.

We are proud to announce that Miss Anneliese Schober has been invited by the city of Spartanburg, S. C. to be the soloist for the "Festival of Christmas Music" to be held at the Spartanburg Memorial Auditorium December 10. This is an annual program of Christmas music in which the Converse College Chorus, Wofford College Glee Club, and Spartanburg High School Chorus participate as well as the Spartanburg Symphony Orchestra.

The first of the afternoon student recitals at St. Andrews will be held November 15 at 5:00 P.M. in the choral rehearsal room. Attendance at these recitals is required for music majors; however, these recitals are also open to non-music majors.

Freshmen Feelings

By RICHARD McCORD

What do you "dig?" Perhaps you are moved when you hear "Come on let's twist again like we did last summer," or maybe you like to hear "I bid seven spades" or you may even prefer the traditional sound of "Oh John, Marsha, Never leave me John, Never Marsha." These lines denote only a very small part of the social activities that are being held and being planned for our enjoyment, and even though there has been some type of event every week end in the Student Union, a number of students claim they don't have anything to do on the week ends. Considering their dilemma. I made an investigation of the college calendar and I turned up some clues to fun in the future.

For instance, I found that a number of bridge clubs are being formed and bridge tournaments are being planned. Also, many more dances are being planned including a Sadie Hawkins Dance to be a climax to a Sadie Hawkins week. Then

there are going to be plenty of activities for those who are literary minded, such as a Great Books Discussion Group and numerous Bible discussions. Also a treat is coming our way in the drama presentation to be given by the Christian Drama Team sometime after Thanksgiving recess.

Then there will be band and choir concerts and individual recitals, and let's not forget our fine arts concert series. All these activities and many more are being planned for our enjoyment.

And just in case there are some students that are hard to please, the administration is happy to consider events that individual suites or groups want to plan.
