

Granville Defeats Albemarle

Granville dorm shut out Albemarle in a powder puff football game 6-0 Fall Fling weekend. Granville dorm displayed an all out effort for the game with about 50 girls participating in the activities. The coaches for Granville, Bob Anderson, Don Stokes, and Paul Vestal, had worked out lots of plays and the girls practiced hard on all of them, as was apparent by their victorious win. Although Granville had practiced mostly plays involving passes, the action was forced to be mostly ground plays. The only T.D. was made in the first quarter when the Granville team faked a movement to the left and quarterback Mev Fraser handed off to Kristin Gronning who ran to the right leaving Albemarle's players in a state of wonderment. Granville's victory was due mostly to their outstanding line. They were able to hold so that the team gained yardage as well as keeping Albemarle from scoring. Co-captains Mev Fraser and Jackie Stafford were both proud of the all out team effort and the outstanding playing of several members of the team.

Albemarle executed some outstanding plays. A handoff to Marcia Hill, produced a 45 yards gain. Albemarle only completed one pass from quarterback captain Patsy Pence to Marcia

Hill, but Granville intercepted two of their attempts. Some of the outstanding players on the Albemarle team were Patsy Pence, Marcia Hill, Cam Stuart, Julie

McDowell, Margie Kingsly and Sara Deil. The coach for the Albemarle team was Johnny Ogle.

The half time activities were jolly with a Homecoming Queen contest by both dorms. The winner from Granville was Buzzy Rogers and the winner from Albemarle was Edwina Butterbottoms. Both these young "ladies" were quite charming and deserve a hardy congratulations because the competition certainly was tough.

Harriers End Season 11-5

The Harriers of St. Andrews lost to East Carolina and North Carolina State in a three way meet held at East Carolina on Tuesday, November 2, 1965. Jim Smith, captain of the Knights' team, finished first ahead of all competition with a new individual record for four miles of 21:03. All members of the team improved their times greatly and Coach Ollis, head cross country coach, seemed to be satisfied with the team's effort despite the loss.

One week before, on Tuesday, October 26, the St. Andrews team

traveled to Methodist College where they were defeated. The team was again led by Jim Smith followed by Tommy Beason, Barlett, Jim Burby, David Bowers, Larry Bowers, and John Weaver. This was the Knights' first loss in Dixie Conference competition.

Four days previous to the Methodist meet, the team again traveled on a road trip, at High Point. There St. Andrews defeated High Point College team with out the assistance of number man Tommy Beason.

P. Vestal Finds New Bait

We've all heard of the "big one" that got away. Well, get this one. One St. Andrews fisherman, or should I say boatman, claims to have caught a 5 pounder using Wood for bait.

Freshman Paul Vestal, while rowing his boat across the lake, saw a large bass hovering near the surface, apparently unaware of the boater's presence. Using his paddle for bait, the angler clobbered the fish which rose to the surface unconscious.

tance than the men's race, was won by freshmen Bob Muir and Kristin Gronning with a time of 5:36, edging out the second place time of 5:39 performed also by freshmen, Yank Albers and Fran Smith.

The races this year convened approximately 3/4 miles, shorter than those of the 1964 races. The area of the course that was in the larger lake was omitted to enable the spectators to observe the whole of the race rather than just the beginning and end.
