

Season Opener

The St. Andrews baseball team began their season Feb. 26 against Longwood College. Despite losing 2-0, the Knights, under second year coach, Gary Swanson, appear to be geared up and ready for this season.

Hoping to improve on last season's 24-16 record, the Knights face a tough 55 game schedule. Returning from last year are Tim Wilson, a Jr. from Colfax, Ia., Randy Marsh, Soph. from Seagrove, N.C., Kent Smith, a Sr. from Moosejaw, Saskatchewan, Tim Whitson, a Soph. from Osceola, Ind., and Jon Reneslaccis, a Jr. from Kitzmiller, Md., who was a 1988 NCAA Division III Academic All-American.

Newcomers, include another Canadian connection. They are Fabian Schommer (Sr.), Sheldon Sawatsky (Jr.), Scott and Brad Peterson (Jr, Fr.) and Tim Kroeker

(Fr.). Other additions to the team are Chad Lindaman, a Jr. from Windom, Mn., Ronnie Roy, a Soph. from Fayetteville, N.C. and Pete Balke, a Jr. from Chicago, Ill.

The Knights formula of success this year involves hard work, and discipline, a trademark of any Swanson program.

"If we come out hungry and ready to play, we will have success this year," said Swanson, summing up this year's squad.

"We have a lot of talent and have improved our team depth tremendously," said Swanson.

The Knights of '89 feature an offense that will again this season rely on speed and quickness. The pitching staff features 14 pitchers and an outfield anchored by sophomores, Dane Gordan and Jim Isenhardt.

Improvements on the field include a new scoreboard and a press box that will be constructed in the future.

In the season opener, Played at Pembroke State, the knights were shut out on three hits, with Ronnie Roy Suffering the loss in a hard fought pitching duel.

Roy gave up a first inning homerun before being replaced by Jr., Tony Licari. Licari shut down Longwood with two innings of scoreless relief.

Come out and watch exciting NAIA baseball and help root the Knights on to victory!
