

Scotties To Begin Schedule At Pfeiffer April 5

BASEBALL TRYOUTS

After several days of workouts in the gym, due to bad weather, the Fighting Scotties have moved out of doors.

Practice was heavily attended, and a lot of interest was shown. Coach Kinlaw seems to be well pleased with cooperation he has had and shows much interest toward each and every player on the squad.

This year Coach Kinlaw is planning to keep a 21-man squad, which will be made up of seven pitchers, Doster Brock, Guy Misenheimer, Ned Shoe, Glenn Patterson, Mac Comer, Red Grissom, and Jim McKoy; six infielders, Bob Stone at first, "Em" Morton at second, Joe Linnens at shortstop, Fred McDaniels at third, and Bob Cochrane and Sylvester Gibbs as utility infielders; three catchers, Tom Robertson, Bob Gillis, and "Country" McCall; five outfielders, left fielder, John Sloan, centerfielder, Dave Chittum, right fielder, Chuck Mayers, and two utility out fielders, Joe Bulla and "Mama" Clark.

This year's team seems to be pretty strong both in the field and at the plate, although both sections need a little smoothing-out in places.

The Scotties start off their heavy work schedule at Pfeiffer on April the fifth and Campbell on the tenth. With these two teams on our win list we could have a very profitable season.

With the hard work of the squad and a little support from our student body we should have a squad everyone will be proud of, so let's all come out and back the Scotties all the way to the end.

Baseball Schedule

Coach Kinlaw Optimistic For Team

COACH CHARLES KINLAW

Coach Kinlaw came to us from Lumberton after graduating from Wake Forest College in January.

Before attending college, Coach Kinlaw played high school baseball and American Legion ball for Lumberton and Red Springs respectively. While playing, he was given a four year baseball scholarship to Wake Forest. After graduating from high school he continued his education at Wake Forest where he majored in Physical Education.

During his baseball career at Wake Forest, which consisted of four years of varsity baseball, he had a record of eleven wins and one loss.

While playing for the "Deacons", Kinlaw went with the team to the National finals in Wichita, Kansas, after defeating Notre Dame in Indiana the first two out of three ball games. Here they started off by beating Southern California, then losing to Texas. Then they beat Southern California again following up with another loss to Texas, making the "Demon Deacons" the second

team of the nation. Coach Kinlaw relieved the starting pitcher in the fifth inning, but the team still could not come through with enough to win.

Coach Kinlaw also played semi-pro ball at Lumberton and Bladenboro.

Coach Kinlaw has a good personality and is easy to get along with. Since he has been at PJC he has gained many friends and is looked up to by all who know him, not only at school, but in the surrounding towns.

Coach, here's wishing you a successful season, and we hope you will be with us for quite a while.

The Christian VIEWPOINT

Prepared by Department of Bible, Presbyterian Junior College, Maxton, N. C.

"In the East only about twenty per cent of the students go to publicly supported colleges. In the South it is about fifty per cent. In the West most students attend tax supported colleges. In the West there is little interest in religion in colleges. In the East and South it is an important element in college life." These were the words of an official in the Central Education Board in New York last week. He went on: "In recent months there has been a great wave of interest in religion all over the country. I've been reading all the best books on how to emphasize religion in colleges because I'm making a study of the subject."

Let us hope his diagnosis is correct and that there is a realization abroad in the land that science alone is not enough to live by, that the deep need of the American people as well as of the Russian people is deliverance

from the power of evil within themselves, and that men are turning to Him who alone can answer the soul's deep need and lift us above the level of the animal into the full flowering of our highest human possibilities. A long while ago Jesus said, "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."—Matthew 4:4.

who mourn, and spread smiles along the pathway of life, but guard against extravagance.
