## WSNC FM Off and Running

By Carolyn Baker

In case some of you are not aware of it, Winston-Salem State University has a radio station, WSNC-FM Stereo. WSNC has been in operation a little over three months now.

The radio station is operable 6-days a week, from 6-12 pm. The dial is 90.5 and the disc jockeys are students at WSSU. WSNC is 99% student operated and Clarence Thomas, the General Manager puts in about 1%, because it is a student project.

The main musical format of WSNC is progressive jazz. There is a "love hour" with Percy Johnson, "easy listening" with Jennifer Baggett, and "today's hits" with Darrell Jeffries. Other disc jockeys are Arthur Johnson, Maurice Rouse, William Pass, Marian Anderson, and Alvin Chamblee.

Interviews are held each semester as positions become available. Applying for a disc jockey position is the same as applying for a regular job. First, an application is filled out and appointments are made for interviews. After being called in for the interview, an audition is scheduled. Once the audition has been completed, the personnel are selected.

A screening board, consisting of Dr. Eady, Mr. Thomas, and Dr. Dervin, evaluates the overall voice quality. The applicant must give an oral report of his own, then "ad-lib" the presentation of the screening board. Then finally, a technical on-the-air test is given. All of the screening for radio staff personnel is done at the beginning of each semester. If interested, please contact Mr. Clarence Thomas, 3rd floor of the communications building.

## Radio Station Plans Masquerade Ball

By Carolyn Baker

The staff of WSNC have initiated several promotional ideas for the radio station. One project was the sale of WSNC T-shirts to the staff and students. Another project (that's in the making now) is the First Annual WSNC Masquerade Ball. Yes, that's right, a masquerade ball.

The gala event will be held on Oct. 21st at the National Guard Armory and will include prizes awarded for costumes of the "Best Organization, Best All-Around, Best Class" and many other categories.

Throughout the night, everyone will be entertained by Cinnamon Reggae, another local band, as well as, live DJ's. The judges for these events will be Dr. Eady, Dr. Holman, and Alice Johnson of WSSU.

Tickets can be purchased from Darrell Jeffries, Clarence Thomas or any radio staff personnel. The prices are \$1.50/singles, \$2.00/couples in advance. At the door, \$2.00/singles, \$2.50/couples.

Let's support our campus radio station, after all, they are here for you. Look for more of this gala affair in our next issue!
