Hall of Fame to honor first woman inductee

Braves Club President, Tommy Forbes, announced the names of the three men and, for the first time, a woman who will be inducted into the Chowan College Sports Hall of Fame. The four inductees are: Janet Collins, Joe Gro, Don Redford and Ted Rollins.

Janet Collins

The Braves Club, a non-profit organization, sponsors the Sports Hall of Fame which honors individuals for contributions to the Chowan athletic program. The four inductees will be introduced prior to the kick-off of the Braves football game against Nassau Community College on Saturday, October 26, 1991. Following the football game, there will be a banquet in Thomas Cafeteria scheduled for 7:00 p.m.

Janet Collins, Joe Gro, Don Redford and Ted Rollins will join 25 other distinguished members of the Chowan Sports Hall of Fame.

Janet Collins becomes the first woman to be inducted into the Sports Hall of Fame. Collins, a native of Richmond, Virginia, attended Westhampton College of the University of Richmond and earned the bachelor of science degree and master of education degree from the University of North Carolina at Chapel Hill. Collins has done additional graduate work at Southeastern Baptist Theological Seminary, Texas Women's University, Massachusetts Maritime Academy, Rocky Mountain College, George Williams College, Texas A&M, Wake Forest University and the University of North Carolina at Chapel Hill.

Before coming to Chowan in 1964, she was instructor of Science and Physical Education and the Head Women's Basketball Coach at Creedmoor High School in Creedmoor, North

Carolina. Under the direction of Collins, Chowan College began its volleyball program and Women's Recreation Association. WRA assisted the Department of Physical Education and Athletics in providing varsity athletics (basketball, volleyball, and softball), intramurals, and pep squads. These activities were organized to meet the needs of female athletes. For eleven years Coach Collins directed the program coaching all three sports while serving as a professor in the Physical Education Department. In 1975 Chowan College wanted conference membership and affiliated with the North Carolina Association for Intercollegiate Athletics for Women. The volleyball program, under Collins' guidance, for three years was competitive in the NCAIAW Division III State Tournament by placing second on one occasion and third on two others.

In 1978 Chowan joined the National Junior College Athletic Association. By joining the N.J.C.A.A. women's athletics became eligible for regional and national competition. Individual coaches were selected, scholarships made available, and recruitment of female athletes began in earnest. Volleyball, under the direction of Collins, has flourished. Since joining the N.J.C.A.A., Collins, who begins her 28th year as head coach, has amassed an impressive 327-184 record. Under her guidance the Lady Braves have participated in the N.J.C.A.A. Region X Tournament every year placing third in 1978, 1980, 1981, 1983, 1987, and 1988; second in 1979, 1982 and 1990; and first in 1985, 1986, and 1989. She has been awarded the prestigious Lux Et Veritas from Chowan College for 25 years of service, recognized by the National Girls and Women in Sports Day Certification by North Carolina Amateur Sports, while being named Region X Coach-of-the-Year twice and District 9 Coach-of-the-Year three times.
