The McDowell Columns Print

The landmark structure of Chowan College, the McDowell Columns, is a massive eight-column white mansion characteristic of the "Old South." Presently serving as the administration building, it is depicted in this print by artist Brandon Diehm. The print is numbered and signed by the artist. The print can be purchased for \$15.00, or \$50.00 for a print matted with a charcoal gray board and framed in black metal.
