Rick Raines, right, winner of the putting contest, is congratulated by Kevin Clary, left, tournament director, and Camp Marks of Art Jones Travel, Franklin, VA. Raines won two round-trip tickets to any location in Florida served by USAir.

Following the 18 holes of golf, players enjoyed a bountiful barbecue lunch served in the ballroom of the country club, after which awards and prizes were presented.

The many volunteers who made the tournament a success were feted at a luncheon at the college cafeteria several days before the event.

A new automobile was the top prize in the hole-in-one contest on Hole No. 15. Charles H. Jenkins and Company of Ahoskie, sponsored hole-in-one contests on each of the par 3 holes on the Beechwood course.
