"Celebrating its

1966
118th Year"

GRADUATION, THRILLING AND MEANINGFUL ANYWHERE GAINS ADDED BEAUTY AND SIGNIFICANCE IN THE GREAT OUTDOORS AT CHOWAN COLLEGE.

Everyone striving for achievement needs a goal. Above is a picture of the goal set before the Student Body of Chowan College. It also represents the goal to which the college faculty and staff dedicate their efforts. At Chowan College such teamwork has been exemplified through its many years, and should again grant the keys of success to the Classes of 1967-68.
