

CHOWAN'S TRUSTEES continue to provide Chowan with leadership and support as they have since the college's founding in 1848. Involved above in a recent trustee meeting is Clarence Godwin, pastor of First Baptist Church of Oxford.

DORIS JUANITA Colson receives her nursing pin from Mrs. Almira H. Ockerman, chairman of the department of nursing at Chowan. Doris was one of 11 coeds to complete the 33-month program and receive the associate degree in May.
