

Who's Who students are named

MURFREESBORO -- The 1992 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN JUNIOR COLLEGES will include the names of 20 students from Chowan College who have been selected as national outstanding campus leaders.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

They join an elite group of students selected from more than 1,400 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.
