

Braves play an old rival for Oct. 16 homecoming

MURFREESBORO — Fall homecoming will be Oct. 16.

The Homecoming '93 Committee has planned a weekend filled with pep rallies, bonfires and reunions.

This year will bring back an exciting rival as the Chowan Braves meet Ferrum College of Virginia. Joining the ranks of NCAA Division III offers Chowan the opportunity to face many new opponents in the fall.

The afternoon game will be preceded by a parade through the streets of Murfreesboro and the college campus. The Chowan clubs and organizations are meeting to plan their floats and exhibits for the parade.

The events of the weekend will be topped off with the classes of 1953, 1968 and 1983 celebrating their 40th, 25th and 10th reunions, respectively. The committees for these classes are being formed and will begin planning their reunions soon. If you are a member of one of these classes and are interested in helping with your reunion, please contact the Chowan College Alumni Office.

Already it looks to be a busy and fun-filled weekend for alumni, parents, students and Chowan family and friends. More details about the Homecoming '93 schedule will be released soon, but more information can now be obtained by calling Kevin Clary, director of alumni services, at (919) 398-4101.
