

Ron E. Barringer
'94-95 SGA president

Music major will head SGA for school year

Ronald E. Barringer, a senior majoring in music, has been elected president of Chowan's Student Government Association (SGA) for the 1994-95 session.

The SGA provides students the opportunity to participate in the operation of the college, to gain experience in democratic procedures and to become actively involved in the planning and execution of college-sponsored activities.

The new SGA, under Barringer's leadership, is formulating plans for the 1994-95 session and will present the slate of activities to the student body shortly after the beginning of the fall semester.

In his capacity as SGA president, Barringer will deliver an official welcome to new and transfer students at the opening convocation, scheduled for Sunday evening, Aug. 21.

Jennifer Hill, a sophomore from Goldsboro, will serve as the SGA vice president for the coming year. Other officers will be elected after the beginning of the fall term.

A.M. Tyson, director of the Braves Den Student Center, coordinates SGA activities and serves as adviser to the group.

Chowan promotes active religious life

In keeping with its Baptist heritage, Chowan promotes spiritual growth stimulated by faith development in the campus community. The administration, faculty and staff believe spiritual growth is as important to education as is emotional, physical and intellectual development.

People of all religions and spiritual orientations are invited to use Harden Chapel for meditation, reflection, prayer, worship or quiet time.

Tim Wilson, director of campus ministries, works with several religious clubs and organizations and is also available for personal consultation.

Stroud chosen as new residence life director

Kevin Stroud, a native of Rocky Mount, has been appointed director of residence life at Chowan College and assumed the new position earlier in August.

In his new position, Stroud will coordinate all aspects of student residence life and supervise the area residence hall coordinators. He will also be responsible for student housing assignments.

"We are very pleased to have Mr. Stroud accept this new position," said G. Bruce Moore, vice president for student development. "He has excellent rapport with students and I know that our student residence life program

will be strengthened under his direction."

Stroud joined the Chowan administrative staff in September 1991 as an admissions counselor in the office of student recruitment. Before accepting his new position, he was serving as area coordinator for the men's campus.

He received the bachelor of science degree in social science from Campbell University and has completed graduate study at East Carolina University.

Stroud is the son of Mr. and Mrs. Philip Stroud of Rocky Mount.
