

Fun on the 'Green'

On a number of occasions during the year, students enjoy fun and games on the campus green in center campus. Several students are pictured preparing to slice a giant sub sandwich as part of their evening meal.

Full-service meals are offered in cafeteria

One of the most popular features of Chowan College is the campus dining service provided by Pioneer College Caterers Inc. in Thomas Cafeteria.

Service in the cafeteria is by a "scramble type of server," offering the traditional full-meal service, a cold delicatessen sandwich bar, a fast-food area, a complete fresh and prepared salad bar, a potato and pasta bar and a homemade soup and bread station.

The Pioneer Caterers, with Ron Cook as the Chowan manager, also provide a full assortment of hot and cold beverages and a dessert area complete with a

self-service ice cream shop.

Meals are provided seven days a week, and there is an unlimited "seconds" policy on all menu items.

Students may choose between a five- and seven-day meal plan, and a special meal plan is available for commuting students.

A snack bar is located in the Braves Den Student Center, and it also is operated by Pioneer Caterers. It features a wide selection of fast foods grill items, pizza, deli sandwiches, beverages, snacks and ice cream.
