

Beating Southwood twice Chowan now owns a 7-2 record in conference play. Behind the power hitting Pete Carpenter and Jim Parker. Chowan beat Southwood by scores of 8 to 3 and 7 to 1. Pete Carpenter had an excellent day batting 5 for 8 and driving in 5 runs. Chowan now owns an overall record of 11 wins and 5 losses. With two home double-hitter games left April 24, with Louisburg and May 2 with

Ferrum will give the spectator much excitement and pleasure watching the Braves play. The conference championship hinges on the outcome of Chowan vs Louisburg. Coach Hawkins believes the Braves will win the conference championship and hopefully Region 10. The Smoke Signals staff would like to wish Coach Hawkins and his team the best of luck.

Mulder publishes book

By PAULINE ROBINSON
Professor Robert Mulder is publishing in hardback cover his first book, entitled "The Shepherd Who Stayed Behind."

The publication is dated for November, 1969, and is to be published by the Board of Trustees at the Colerain Baptist Church and the remuneration from the sales are to aid the Building Fund of the Colerain Baptist Church.

The title poem, "The Shepherd Who Stayed Behind," won the North Carolina Eva Bary Harris Poetry Award in 1963. A friend submitted the poem which he had received as a Christmas card from the author.

Each Christmas Mulder writes an original poem for his students and friends and has been doing so for the past eight years. Many of the poems have been printed over the past eight years that are included in the book.

Added features in this publication are a series of 12 Miracle Sonnets (both English and Italian) which are based on the miracles of Christ's earthly ministry; a story poem titled "Lazarus," which relives in poetic form the account of Jesus raising Lazarus from the dead; and many new Christmas poems of various styles and types written especially for this publication.

The book also includes a long, poignant lyric in iambic tetrameter titled "The Christmas of Timothy Frye," which is a poem relating the story of a cripple newspaper salesman and his search to find the meaning and satisfaction which he knows should come at the Christmas season.

An introduction is written by Rev. Bennis Pledger, minister of Colerain Baptist Church, and member of the Board of Trustees of Chowan College.

Illustrations in the book are drawn by Mrs. Eva J. White of Colerain.

Professor Mulder is a graduate of Chowan College and East Carolina University with a B.S. and M.A. from ECU. He has done graduate study at the University of Richmond and at Ole Mississippi.

He is organist and minister of music of Colerain Baptist Church and an English professor at Chowan.

Howard has an interesting and fascinating hobby

About myself. I am Howard Frizzell, a sophomore, from Norfolk, Va. I am very much interested in old periodicals most of the last century.

I have been collecting old papers for some time and enjoy magazines, books, and newspapers for some time and enjoy it very much. I have around 200 copies in my collection.

Some of the works are truly collector's items while others are commonplace.

A person can learn a lot about the past by reading these old works. I guess that is why

they fascinate me so.

About the old papers. These papers, which make up most of my collection, range by date from 1854 to 1896 and come from the major East Coast and West Coast news paper companies. I also have some from

papers that are no longer published.

These papers are very large (at least nine columns per page). They also have extremely small front page headings.

They were made far superior to our modern papers; they

have no misspelled words and the grammar is perfectly correct. The paper used in the printing was made of a type of linen and is in very good condition today (some being over 120 yrs. old).

Why I brought them to Chowan. I am studying American literature under Mrs. Undine Barnhill. I find this a very interesting subject and recom-

it to any student who is literary minded. Mrs. Barnhill found out that I had these old papers and asked me to share them with the class.

Rick is fine "cinder" man

Rick Binder beside the hurdles, is one of the best supporting footmen on this year's track team at Chowan.

By SPEEDY SKINNER
Rick Binder of Virginia Beach, Va., graduated from Cox High School in 1967. Rick is a sophomore majoring in pre-education. After graduation from Chowan Rick is undecided as to what school he will attend. He would like to become a teacher coach and teach History on the High School level.

Rick is active in campus life. He participates in intramural sports and last year was chosen and played volleyball representing Chowan on Intramural Day. Rick is a member of the Monogram Club and the newly

formed Surf Club.

Rick is an excellent all-around track man. During meets he enters in the broad jump, high jump, triple jump, high hurdles 220 low hurdles, and the 400 relay team. Rick's highest point output was against Frederick Military Academy when he scored 20 points.

In the broad jump, Rick has jumped 20'6" and in the high jump his best is 5'8". He triple jumps 43'9" and last year was only 1 of a second off the national qualifying time for an invitation to compete in the National Junior College Track

Haiku anyone?

In confection with their recent study of poetry, the students in Mrs. King's English 102 classes have learned of the haiku, a form of Japanese poetry which states in fourteen syllables (usually arranged in three lines of five, seven, and five syllables) a clear picture designed to arouse a distinct emotion and suggest a specific spiritual insight.

Since the second world war, a number of American writers have been interested in Japanese poetry.

Below are some of the haiku composed by students. Why not try your hand at this intriguing poetic form?

Snow freely tumbling,
Touch our cold, dark earth,
sending
White flakes of crystal.

The true meaning of
Freedom is not realized
Until it is lost.

Though I have little
Knowledge about man, God has
Given me a plan.

How warm and cheerful
Days of new spring, transmit a
Special joy of life.

Gossip is like a
Splinter; it often hurts. A
Fool is full of words.

He looks farther, but
n, for she is closer
Than his window pane.

Here I stand with heart

Meet.

The track team now stands with a 2-1 record. The team had some tough breaks in the first meet with Frederick Military but bounced back and beat them 83-59 on their track.

April 21 Chowan runs Sand Hill Junior College away and on April 23, the team runs Ferrum home. The school is proud of all its athletic teams, so come out and support some excellent performers.

In hand, bewildered by fear
With no one near me.

Here are some in couplets
still having only seventeen syllables.
My mind is filled; with things I
cannot cope,
But for me there is always hope.

Life gives the lovely stores of
gold,
Aging last are memories of old.

War is a time of hate and
despair,
Oft I wonder if people care.

Company Offers Scholarship

There will be added incentive again this year for the nation's youngsters to get into top physical shape.

The United States Marine Corps announced that the high school senior who comes out on top in its Youth Physical Fitness Program will receive a medal and will also be awarded a \$1,000 scholarship to the college or professional school of his choice. The scholarship will be given by Post Cereals of the General Foods Corporation, which supports the nationwide Marines' youth fitness program.

This year hundreds of thousands of youngsters from more than 1,000 high schools throughout the country are expected to participate in the program which will bring more than 70 youngsters to Washington, D.C. to compete in final meets and also enjoy extensive sight-seeing capital tours.

In addition to the \$1,000 scholarship, the high school with the top scoring fitness-team will receive a \$5000 award from Post Cereals for the purchase of physical fitness equipment.

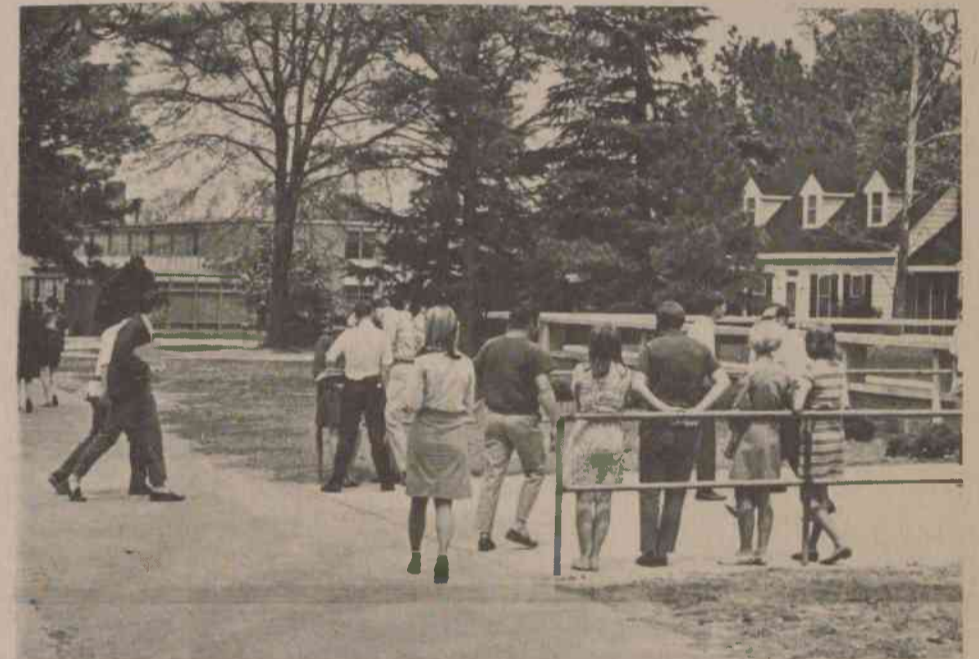

May 8 set as Honors Day

May 8 is the day set aside this year to present deserving students with scholastic and athletic scholarships. These scholarships are awarded with recommendations from faculty and final approval from the Scholarship Committee.

Some of the awards to be given will be for the highest average of a freshman, for an outstanding Nursing student and for a secretarial student.

Also on May 8 the person to whom the Chowanoka, Chowan's annual, is dedicated will be announced. According to Preston Hunter, production editor of this year's annual, they will be ready for distribution to the students on this day also.

At this point there is still quite a lot of work left to be done on the annuals, but with a little luck and hard work they will be finished on time.

Even with classes, spring is wonderful!

On this fine Spring day all of these students inside. But they would swear they were on their decided to perch outside Marks Hall rather than way to class.

Be sure to attend all events of the Spring Festival

All you hep-cat dragsters should maybe take note

This little mishap occurred at Southhampton Speedway on a recent Sunday; no one was hurt! But such may not be the case on Chowan's "Campus Speedwa" if some of our dragsters don't slow down.

My Neighbors

"Hey now—you can't beat city hall, y' know."

FINANCIAL OFFICER TO MEET WITH LOAN BORROWERS

Immediately following the advisor-advisee meeting on April 29, there will be a meeting at 5 p.m., in Columns Auditorium for all National Defense Student Loan Borrowers. There will be a second meeting on May 1 at 4 p.m., for those students who cannot attend the first meeting.
