

Welcome Governor Scott to Chowan!

IN CONCERT HERE—The New York Rock Ensemble will perform in concert here on Thursday night, October 12, in McDowell Columns auditorium. Admission will be \$3.00 for non-students, and Chowan students will pay 50 cents and show their ID cards.

Concert Scheduled For Thursday Night

The New York Rock Ensemble was originally formed on a "goof" by three Julliard Music School students in October of 1966, under the name "Emile and the Detectives." Meeting with immediate local success, Michael Kamen, Martin Fulterman and Dorian Rudnytsky added Clifton Navison to the band.

Marty, the comedian of the group, coined the name of New York Rock and Roll Ensemble. The group was signed to Atlantic Records, did an extended stint at a then happening upper east New York discotheque and began showing up around the New York City area in white tie and tails and playing both classical and rock music. The establishment press took an immediate liking to them and feature articles appeared in Life, Women's Wear Daily, etc., and New York Times' critics regularly reviewed their appearances.

The ensemble played their first college concert in the spring of 1968 and completely stole the show from the big name feature act. From there, the group became a staple of the college market, playing over 175 colleges per year in 1969, 1970 and 1971, with many return engagements each season.

After three successful albums on Atco, in March of 1970, the act joined Columbia Records. The name was changed to simply New York Rock Ensemble, and with their first Columbia album, "Roll Over," meeting with considerable success, their outstanding live performances, the "underground press" joined the established press in their raves of the act.

Because of classical training, the act has become known as the foremost mixed-media group in the United States and has performed with the N. Y. Philharmonic, N. Y. Symphony Society, Baltimore Symphony, St. Louis Symphon, Detroit Symphony, N.

Nixon Wins Big In Mock Election

On Monday, October 2, and Wednesday, October 4, freshmen and sophomores were given ballots in their respective chapel assemblies. On the ballots were the names of Richard Nixon and George McGovern for President, and Jesse Helms and Nick Galifanakis for Senator.

The poll was taken was tabulated by the Smoke Signals' staff to find the political tendencies of the students at Chowan.

The poll was taken and tabulated by Barry Bradberry and Mendy Wiggs with the assistance of Dr. Morris Carson.

Y. Chamber Soloists, Boston Pops, San Francisco Symphony, and numerous college musical aggregations. But, as the Los Angeles Times put it, they have now become known and recognized as "one of the tightest most versatile bands in all rock" ... "the music has a basic hard-rock feel, combined with polished, sophisticated arrangements." The Ensemble has appeared in every major underground rock club in the United States and on all four TV networks.

On January 23, 1972, the movie, "Zachariah" was premiered, in which the New York Rock Ensemble has a starring role. (The soundtrack is on ABC-Dunhill). On February 12, 1971, the Ensemble's original score and arrangement for a rock ballet was premiered by the Boston Ballet Company. The Ensemble has also composed scores for Leonard Bernstein, an ABC-TV Special, several commercials and industrial films and presently composing the theme song for an upcoming TV series.

The Ensemble's music is heavy rock influenced by classical training and with an interweaving of their classical instruments (Oboes, English horns, and cello) and they have now included an ARP synthesizer. Their live performances include tremendous versatility ... ballads, soft-rock programmed with the heavy rock to create moods and audience rapport through musical excitement, and comedy which invariably brings audiences to their feet clamoring for more.

Scott "Appropriate"

He said the selection of the governor as Founder's Day speaker is "particularly appropriate in that the father of Governor Scott, the late Kerr Scott, spoke at Chowan at the 100th Anniversary celebration when he was governor of North Carolina."

Governor Scott is a native of Alamance County and a graduate of North Carolina State University. After serving three years in the U. S. Army as a special agent in the Counter

Intelligence Corps, he returned to his home near Haw River in 1955 as a dairy farmer. In this profession he won a number of awards and recognitions for his achievements. These include Alamance County "Young Farmer of the Year," 1957 president, North Carolina Society of Farm Managers and Rural Appraisers, 1957; with Mrs. Scott, National Grange "Young Couple of the Year," 1959; and North Carolina State Grange Master, 1961-63.

Active in civic and church affairs, he is a member of the Burlington-Alamance County Chamber of Commerce and the Haw River Chamber of Commerce, Soil Conservation Society of America and North Carolina Literary and Historical Association. A Presbyterian, he is member of Hawfields Church where he served as a deacon and elder. He is member of Alpha Zeta, Phi Theta Kappa and Blue Key.

North Carolina's governor has been active in the Democratic party at the precinct, county and state levels and in 1964 was elected lieutenant governor. He was elected governor in 1968.

Founded in 1848

The ninth oldest college in the state, Chowan was founded in 1848 as a four year women's college. The college remained open during the Civil War and in 1935 became co-educational and in 1937 a two-year college. Chowan was forced to close during World War II but reopened in October, 1949, with a student body of under 300.

Chowan enters its 125th year and 16th under the administration of Dr. Whitaker with an enrollment exceeding 1,200 and progress continuing on construction of a new \$1.2 million

science-engineering facility to be opened in the summer of 1973. A new, air-conditioned building has been constructed approximately each year under Dr. Whitaker's tenure of office, transforming the college into a modern campus. At the same time, the natural beauty of the campus has been preserved and enhanced, an example an example being the creation of a landscaped, eight-acre lake adjacent to the new nine-story men's dormitory, Parker Hall.

Surfing Group Sets Meeting

All students who are interested in surfing are urged to attend the next meeting of the Chowan College Surfing Association. The next meeting is scheduled for Tuesday, October 24 at 7:30 p. m. in Marks Hall.

Meetings are held every other week and the club's purpose, according to the club advisor, Dr. Bruce Fryer, is to promote the sport of surfing as well as to get people together for rides to the beach.

The president of the surfing association is Delbert Melton. Club membership simply requires one to come to the meetings and pay the dues. The money collected from dues is used to sponsor surfing ventures for the club.

Last year, club members went to Florida during the spring vacation. When the season is right, the club members usually go to Hattaras on weekends.

Why not come to the next meeting and see what it's all about?

The band will do a seven and one-half minute show, including forming a big 125 across the field and playing the Alma Mater. After the performance, the Homecoming Court will be introduced, and the Queen and Princess will be crowned.

Saturday night, the Student Government Association will sponsor the Homecoming dance. Music will be by "Double Shot." They were formerly known as the "Medallions" and the group had a top ten hit called "Double Shot" a few years ago.
