

Ross, Roberts Lead Sandhills

By MARK BARNHARDT

Hot shooting by Angelo Ross and John Roberts led Sandhills Community College to a 93-86 victory over Chowan's men's basketball squad. Ross poured in 34 points while Roberts gained 27.

Sandhills broke out to an early lead, with Ross scoring the first six points of the game. They held a 9 point lead with 12 minutes left in the half, but Chowan came back to tie the score 3 minutes later. The lead changed hands several times the remainder of the half and Chowan managed a 49-47 halftime edge. Fouls plagued the Braves in the

second half and three players fouled out before the finish. Clutch free throw shooting enabled Sandhills to pull away in the closing minutes.

Also scoring in double figures for Sandhills were Charlie Patterson and Wayne Goodman, who scored 11 and 10 points respectively.

Freshman forward Steve Johnson led Chowan with 13. He was followed in scoring by Ron Lamb with 12, Gerald Joyner with 11, and Joe Liverman and David Deese with 10 each.

Wolfpack Devour Lady Braves

N.C. State University's women's basketball team came to Chowan Wednesday and defeated the lady Braves 68-52.

The Wolfpack leaped to a 16-5 lead with 16:06 left in the first half and were never again contested by the Braves. They utilized a full-court press and by halftime had gained a 39-23 advantage.

Chowan kept up with State in the second half, but that was not enough, as the Wolfpack breezed to victory behind Christine Chambers 18 points. Julie Randle canned 15 for NCSU while Beth Wolhar and Jan Roberts scored 6 each.

Nancy Williams penetrated State's defence for 14 points and was followed by Dee Biby's 8 points. Mimi Grizzard, Cindy Downs, and Mary Franklin each scored 5 points for the Braves.

1976-1977 Chowan College Wrestling Schedule

Nov. 4	Blue-White entra-squad Match	7:00 p.m.
Nov. 12-13	Monarch Open	Away All Day

COACH: Steve C. Nelson — 919-398-4101 (282)
CAPTAIN: Stewart Phillips & Dan Kraft

Matmen Capture 2nd Straight

Tuesday afternoon, January 25, Chowan wrestlers recorded their second consecutive victory over a four year varsity team by downing Norfolk State 26-20. The Braves trailed the Spartans 3-20 midway through the contest, but came alive to win the five remaining matches. Six Braves scored victories. 158-lb. freshman Dan Kraft maintained his unbeaten record with a second period pin. 190-lb. sophomore Kevin Dalton recorded Chowan's other pin at 6:58. Scoring decisions were: 126-lb. Clint Payne 15-11, 167-lb. Steve Redmond 4-3 on riding time, 177-lb. Roger Brown 10-3, and HW George Campbell 20-6. Chowan's record moved to 3-2 for the season. The Braves will face Elizabeth City State University Friday afternoon at 4:00 P.M.

177 R. Brown-10 — K. Martin-3
190 K. Dalton-Fall — M. Lewis-6:58
HW G. Campbell-20 — C. Cooper-6

Last Second Shot Lifts COA Over Chowan

A 20-foot jump shot by Lee Pritchard with 4 seconds left gave the College of the Albemarle an 83-82 win over the Chowan Braves Wednesday, February 2 in the Chowan gym.

Pritchard finished with a game high 24 points, 20 of which came in the second half. Many of these were long jump shots in the closing minutes including the game winning shot at the buzzer.

Chowan grabbed an early lead but

Albemarle rallied to tie the score at 16 with a little over 11 minutes left in the half. The game was close the remainder of the half with Chowan gaining the biggest lead of 6 points and a 39-38 halftime edge.

Chowan's largest lead of the game, 8 points, came when 2 technical fouls were called on Albemarle's coach with 15:00 left. Albemarle came back to tie the score at 57 only 5 minutes later and the lead changed hands several times for the remainder of the game. Two

free throws by Mike Smith gave Chowan a 79-75 lead with 2:30 to go but Albemarle came up with 4 charity strikes of their own to tie the score.

Chowan again took a 2 point lead on foul shots but could not stop Pritchard's 20 foul shot with :42 left. The Braves regained the lead again on a technical

foul on Albemarle but a missed foul shot gave Albemarle the ball with 10 seconds left. Pritchard played the iceman once again and sank the win-

Ferrum Bombs Braves

Ferrum College bombed Chowan 78-51 in a January 28 contest at the Chowan gym. The victory gives Ferrum a 7-0 conference record while Chowan's drops to 1-3.

The game was close during the first 10 minutes, with the score tied at 10. Ferrum utilized a full-court zone press to pull away for a 34-23 halftime lead. Chowan came back to score the first 4 points of the second half, but never

came any closer. The Braves scored only 8 points over a 15 minute period and Ferrum steadily built on their lead.

Ferrum's Leon Hawkins and Richard Bragg tied for scoring honors with 16 points each. John Watkins canned 14 and Dan Grubbs added 12 for the Panthers.

Ron Lamb and Joe Liverman were Chowan's only players to score in double figures. They went to the hoop for 14 and 10 points respectively.

ning basket with 4 seconds left. Chowan, with no time outs remaining, could not get the ball inbounds in time to get a shot off.

Following Pritchard in scoring for Albemarle was John Hassell with 21 and Robert Farrar with 13.

The Braves were led by Joe Liverman and Todd Mathias with 22 and 21 points respectively. David Deese pumped in 11 while reserve Mike Smith added 9 for the Braves.

March 3, 4, & 5 State Tournament at Louisburg College in North Carolina

Annual Giving Fund Goal Setting Record Pace

Chowan College advisors are told the college is setting a record pace in pursuit of its 1976-77 Annual Giving Fund goal of \$75,000, during their recent meeting in the office of Chowan President Bruce E. Whitaker.

H. L. Evans, Jr., of Murfreesboro, the campaign chairman, said over \$56,000 has been raised through gifts and pledges. He said this is over \$18,000 more than the amount raised at the same time last year. The 1976-77 Annual Giving Fund goal was \$67,500 and Chowan had received \$38,000 by the end of January, 1976.

Evans thanked the advisors for their support, both through their own contributions and contacts with potential donors. He asked advisors to help the college receive an additional \$19,000 by May 31 in order to reach the goal. He explained the \$75,000 is a budgeted source of income and Chowan needs to raise that amount to operate in the black for the 19th straight year.

Director of Development Bobby Cross said Chowan's emphasis on memorial giving opportunities is meeting wide acceptance. The program, called "Bountifully Sow — Bountifully Reap," includes gift opportunities through the Book of Memory and planned giving by wills and trusts.

Cross said gifts to the Book of Memory provide a "living memorial" and are a "vital investment in Christian higher education and the future of young people."

He said that Christians have the responsibility to be "good stewards of their possessions." He said this includes the causes individuals support in their wills. Dean of Students Clayton Lewis reported Chowan enrolled a full-time equivalency of 929 students during the spring semester. He said this number was in line with expectations.

Chowan's chaplain, Dr. R. Hargus Taylor, secretary of the Long Range Planning Committee, reviewed the work accomplished to date by the committee. He noted that revisions in the campus "map" are ready for submission to the firm of J. B. Godwin and Associates, Raleigh. He said the question is yet to be resolved as to whether the text of the current Long Range Master Plan should be revised with the insertion of new materials, or whether a complete re-writing of the text is in order.

Dean of the College B. Franklin Lowe, Jr., told the advisors "the progress on the self-study is on schedule. Most major committees have virtually completed their work. The steering committee is continuing to evaluate the various committee reports," he said.

Lowe reported that "within the next few weeks the editor will begin work on pulling all the reports together into a unified, systematic self-study report. The report will be published during the summer of 1977 and we expect a visit from the Southern Association of Colleges and Schools in the early fall semester of 1977 leading to the reaffirmation of accreditation."

Chowan's academic dean explained that all accredited institutions must have their accreditation reaffirmed every 10 years. The accreditation of Chowan was last reaffirmed in 1968.

Under the leadership of advisor chairman, Dr. Herman Melvin Kunkle of Portsmouth, Va., advisors discussed the need for a new gymnasium — physical education facility at Chowan. Members said the current gym is not adequate to handle the many demands made on it from a student body of Chowan's size. They also expressed the opinion a new facility would help the college in its recruitment of desirable students.

Dr. Kunkle welcomed new members of the Board of Advisors: Mrs. Nancy T. Lewis of Gatesville, L. Lee Boykin, a Chowan alumnus, of Laurens, S. C., and James P. Stephenson of Portsmouth, Va., also attending his first meeting. Stephenson is also a Chowan alumnus.

Two other new members, Dr. Glenn A. Kiser of Blowing Rock and Marshall J. Frank of Blacksburg, Va., were unable to attend the meeting.

Whitakers Entertain Honor Students

By NANCY SULLIVAN

On February 2, 1977 in the home of President and Mrs. Whitaker, a reception was held in honor of the college's honor students. These honor students, freshmen and sophomores, were found on three different lists. These lists are the President's List, the Dean's List and the Honor's List. This reception is held on an annual basis.

The reception line held all the heads or chairmen of each academic department as well as Dean Lowe, Dean Lewis, Dean and Mrs. Winslow, and last but not least President and Mrs. Whitaker.

This reception was held to prove that Chowan cares about those that try to better themselves in accordance to academic standards, but that doesn't mean that it over looks those that

cannot excel in academic standing. Receptions of all types are held for different types of situations.

A lot of people complain about having to attend these "dumb receptions," but they are given to help the student body. There are a lot of things in life that one must accept even though he or she may not want to. These receptions are fun. They provide a means of fellowship with those you may not see every day.

The reception given in honor of honor students, gave the ones that made it a chance to see who else made it. The reception gave a chance for bragging about your grades or anything else. The highlight of the evening was to see one of the female business teachers climb aboard an exercise bicycle in a long dress! See it is not all business!

Chowan Stage Band

My Lady Blue

By PAM OWENS

Countless days I've spent
by the sea
Singing fragmented lyrics
of what I've hoped to be.
That 'ole Lady Blue
she really cares;
Listening to my discontent
to the somehow, always there.

Today she knew I was lonely,
As I approached her waters slowly:
She reached out her hand
and swept me away from the land...
from which I stood...

My Lady held me;
Wrapped her misty blue body
around mine.
And drowned me in her love.

Now my Lady Blue,
I'll always be with you—
Together, we'll always be the tide
that the surfers catch;
and ride.
Giving way to the setting,
golden sun;
Watching lovers: knowing we've
finally won...

Frances Townsend, a sophomore at Chowan College is one of several students pounding the pavement passing out energy conservation signs to Murfreesboro merchants and townspeople. Here she gives an energy

saving reminder to Joe Dickerson, owner of the Western Auto Store. The sign reminds people to keep their heating thermostats set at 65 degrees.

Returning Students Should Choose Rooms

Currently Enrolled Returning Students - Fall Semester

a. A currently enrolled student is given the opportunity to select a room and roommate during the period of February 20 - March 15.

b. The choice of a particular room does not become firm until the \$50.00 advance on the tuition is received in the Business Office.

c. The housing card for a currently enrolled returning student is completed in the office of the Director of Housing (typed) and given to the student with instructions as to the steps to be taken in order to complete the enrollment procedure.

d. A returning student that does not make the \$50.00 advance payment on the Fall tuition by April 1, may lose the room reservation.

Returning Not Currently Enrolled, Transfer and Freshman Students - Fall Semester

a. A returning not currently enrolled transfer or freshman student is not given the opportunity of selecting a room or roommate. In the event a request is received in this office prior to the mailing of room assignment letters (April 1-20), their desires will be honored. Requests received after the regular assignments are made and the letters mailed, may or may not be approved, depending on the circumstances of each case. There are many requests received asking for a particular roommate, where there is no housing record of the roommate requested, these cases have to be turned down. All requests received in other departments concerning room assignment or roommates must be coordinated very closely with Housing.

b. Housing cards for these students are completed in the Office of the Director of Admissions (Typed).

Spring Semester

a. Those freshman and returning students reporting for the spring semester (not enrolled during previous fall semester) will be assigned rooms upon their arrival wherever vacancies exit. A request for a particular dormitory or roommate may or may not be honored, depending upon whether there is a vacancy.

b. Housing cards for this group of students will be handled in the same manner as stated in par. 2 above.

Students Reporting Early for Football Tryouts

a. Students reporting for football tryouts will be housed in East Hall and Mixon Hall, until 3 days prior to opening of the fall semester. Students in this group that are permanently assigned in east or Mixon Hall will be placed in their assigned room upon arrival.

b. Housing will be provided for only those students that have paid the \$50.00 advance payment on their tuition and those that have been arranged for in the Business Office. Housing cards must be completed in accordance with par. 2 e. above, for all students that have not made their \$50.00 advance payment.

c. Each housing card must be completed legible, and routed through the Business Office prior to submission to this office.

d. Housing cards received in this office that are not complete and legible will be returned to the Admissions Office without action.

e. Those members of the college administration, staff, or faculty, that desire to have a student in this category, assigned a room prior to the payment of the \$50.00 advance on the tuition, must have a housing card completed in the Admissions Office and forwarded to the Business Office or

approval.

f. In no case will a housing card be completed in this office, or a room assigned to a student in this category as the results of a telephone call. The only exception to this rule will be on the opening day of school. All such requests must originate in the Business Office.

g. No room key will be set up or issued at any time, to any student, unless there is a completed housing card on file in this office, or the student presents a paid receipt from the Business Office. The only exception to the above rule will be as indicated in f. above.

Carowinds

Auditions Are This Month

CHARLOTTE — In a drive to recruit more than 350 talented high school and college students, the live shows staff of Carowinds and two other major theme parks will be holding special auditions in the Carolinas early next month.

Dave Burns, Carowinds' manager of Live Shows, said the first audition will be held at the University of North Carolina at Chapel Hill on Feb. 8 from 2 to 8 p.m.

Other auditions are: Feb. 9, UNC-Greensboro, 2-8 p.m.; Feb. 10, North Carolina School of the Arts, Winston-Salem, 6-10 p.m.; and Feb. 11, Furman University, Greenville, S.C., 2-8 p.m.

Auditions at the theme park itself will be held on Feb. 12 and 13 from noon to 8 p.m.

Representatives from Kings Island, Cincinnati, and Kings Dominion, Richmond, Va., sister parks of Carowinds, will be at the auditions to also search for talent for their respective parks. Nearly 100 student performers will be hired for Carowinds.

"We are looking for musicians, singers, dancers, actors and stage technicians," Burns said. "Most of the stage show positions require a dancer who has had some vocal training. However, dancers without voice training and speciality groups, like dance groups and mime troupes, should

attend the auditions." All auditions will be limited to three minutes.

Burns said all musical groups, like Bluegrass, rock, and Dixieland bands and barbershop quartets and country-western groups should send information about the group and a sample tape recording to Kings Productions, 1906 Highland Ave., Cincinnati, Ohio 45219.

Stage technicians should also send a resume to the Cincinnati office, Burns said.

The Carowinds theme park is located south of Charlotte, N.C., along I-77 at the North Carolina-South Carolina state line.
