Two Chowan Teachers Named 'Outstanding'

By DONNA SWICEGOOD and WILLIAM HOBSON

Dwight Collier, professor of printing technology and Edward Wooten professor of mathematics were selected as two of the nation's "Outstanding Young Men of America for 1979". The honor recognizes young men throughout the nation for professional achievement and community service.

Collier, a native of Goldsboro, received his Associate Degree in Graphic Arts from Chowan. As a student at Chowan, Collier received the award for the highest scholastic average and also was named the most outstanding graduate in graphic arts. He was inducted into Phi Theta Kappa, national honor fraternity, and was also selected for "Who's Who in American Junior Colleges".

Collier received his BA degree from East Carolina University. While at ECU, he was named "Outstanding Technical Teacher Education Major" in 1976 and was a member of Phi Tau international honorary professional fraternity in Industrial Arts and Vocational education.

Questioned on his reaction to the honor, Collier said he was "surprised and overwhelmed".

"It was an honor to be nominated, but," Collier emphasized, "it was even more of an honor to be selected".

Collier said he was most pleased by the part of the award for community service. He stated that he "tried to contribute to the community and the fact that someone thinks I contribute

to the community is an honor."

He emphasized that among his teaching duties he enjoys most working with students. "I like to feel I have a good relationship with students," Collier added.

Collier is married to the former Ella Whitley of Roanoke-Rapids. The couple reside in Murfreesboro.

Wooten is a graduate of Wake Forest University where he received a B.S. Degree in mathematics. He has studied additionally at East Carolina University and the College of William and Mary.

Wooten was nominated to "Who's Who in the South and Southeast" and is the sponsor of the Phi Theta Kappa Honor Society. He was named a Henkins Scholar for four years and is a member of Kappa Mu Epsilon, a national honor society for math majors.

Wooten is married with three children.

In reaction to the honor, Wooten said he was very pleased and considered it an honor to be nominated, much less selected.

Wooten said he was most pleased with the part of the award which recognized him for professional service.

The calculus sequence is what he enjoys teaching most because, he says, it is challenging.

Collier's and Wooten's biographies are included in a volume distributed to a vast majority of libraries throughout the United States and also the Library of Congress.

Daytona Adds Special For Women Drivers

DAYTONA BEACH, Fla.— A new race which could see as many as a half-dozen women competing has been added to the Thanksgiving Weekend schedule at Daytona International Speedway.

The \$20,000 Kellygirl 50 has been scheduled at 11:00 a.m., Sunday, November 25 and will be followed at noon by the Champion Spark Plug 100 and at 2:00 p.m. by the Winston GT 250.

The Kellygirl 50 will be run by intermediate sedans such as Chevy Nova, AMC Concord, Ford Granada, Plymouth Volare, Buick Skylark and Oldsmobile Cutlass.

Among the women expected to compete in this new race are Lyn St. James, Liz Kleinschmidt, Judy Stropus, Mary Ann Vann, Linda Sharpe and Patty Moise.

St. James has the distinction of having finished higher in an American professional auto race than any other woman when she finished second at Road Atlanta earlier this year.

While the Kellygirl Challenge series has a point fund incentive to encourage the participation of women racers, the

series has also attracted some of the leading male road racing drivers.

The current series leader is Gene Felton and he is followed by Gene Rutherford, Jerry Thompson, Vern Smith and Pat Bedard in a tremendous battle for second place. Only seven points separate the four.

A recent announcement by the sanctioning International Motorsports Assn. will permit the lightweight six cylinder intermediates to race with unrestricted carburation.

It is expected that Daytona will see the debut of many of these potent and nimble new machines.

The Kellygirl Challenge is the newest of IMAS's three professional road racing series and offers a season-ending point fund of \$55,000 to be divided among the top ten drivers.

The Thanksgiving Weekend of racing traditionally ends the year of auto racing at Daytona International Speedway which will see many of the same cars which will race in the 1980 season-opener, the 24 Hour Pepsi Challenge on February 2.

Spikers Still .500 In Loop

BY KATHY FISHER

The Lady Braves, after another series of road games stand 2-2 in the conference and 5-6 in overall competition.

When the Lady Braves played Louisburg on October 2, they were defeated 6-15. According to Coach Janet Collins, the Braves played even with Louisburg in the first part of their game then the players lost some of their confidence. By the time they regained it, the game had already gone to Louisburg. She also said that the second game was played well but Louisburg out-spiked them 8 to 1.

"I think we can play even with them" she added and the Braves will get a chance to try again in a home match on October 31.

On service Susan Whalen, Terri Tyler and Heather Holt were most consistent. Wanda Bacote scored three spikes, Holt made two and Whalen got in two dinks and drives. Defensively Bacote and Whalen played consistently.

Mrs. Collins said that the team's major problems were in the areas of serve reception and defense.

On October 5, Chowan was defeated by UNC-Wilmington 4-15; 3-15.

"This is the worst match we have played to date," observed Mrs. Collins. Chowan was outscored on service 8 to 30 and at the net 6 to 0. She added that "we started with errors and kept on making them. I think we can play more competitively against them and I know we can play with them."

In the match against Brevard on October 6, Chowan won 16-6; 15-4. Chowan out served the 6 to 4 and out played them at the net 7 to 0.

Whalen and Georgia Ross each made three spikes. Tyler made three dinks and Belva Tharpe had three good drives.

At the service line Cathie Pickens made 12 good serves, Bacote had 10 and Whalen put 8 over. On defense Whalen, Bacote and Tyler were consistent and Tyler was also good on blocking.

This is one of the best competitive matches that Chowan has played so far, Mrs. Collins asserted. They made mistakes, but they "kept a positive attitude," she added. She also stated that the only problems the Braves had were with service reception and blocking in the first and third games.

Bacote, Whalen and Tharpe put the most serves over for Chowan with 12, 10 and 8 respectively. Ross made 6 spikes and Bacote had 3. Bacote also had two dinks. Whalen had six drives and Pickens made five.

Defensively, Ross, Tyler and Tharpe were the most consistent. Each team member did well in service reception, but Scotlyn Patrick and Bacote handled the most. Patrick handled nine while Bacote had eleven.

The Lady Braves had a winning day October 10 when they defeated Greensboro and Wingate.

They defeated Greensboro 15-8; 15-13. Chowan out-served Greensboro 5 to 1 with Tharpe, Tyler, Ross and Holt putting in the good serves for the Braves.

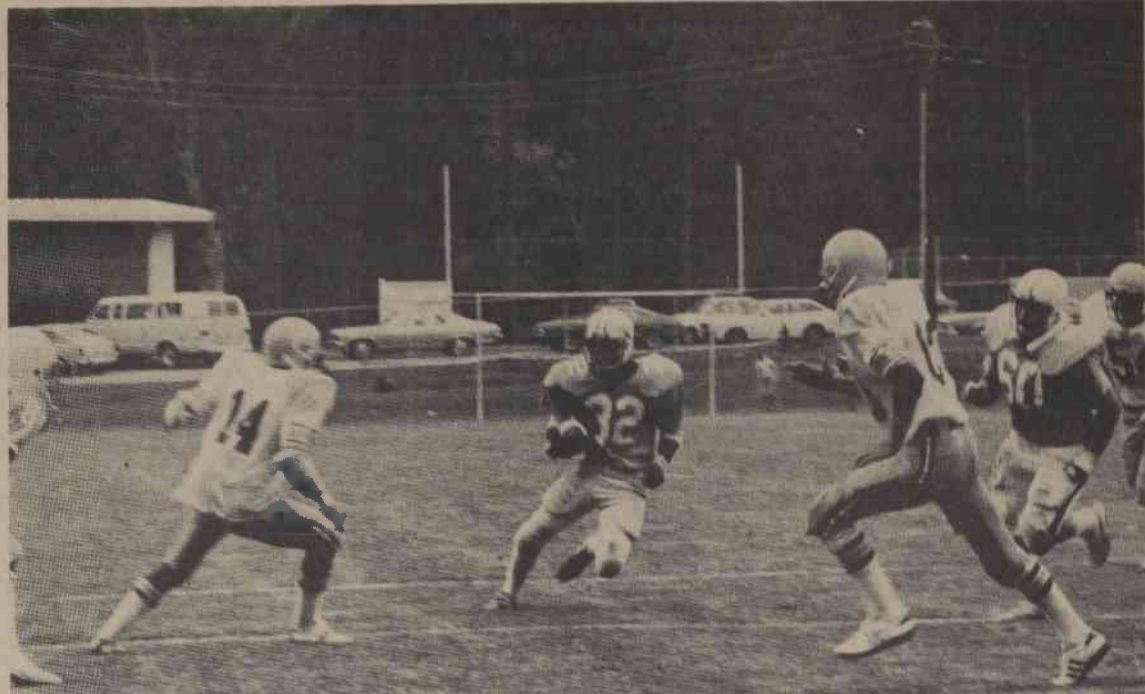

On the net Chowan out-scored them 12 to 2. Bacote put in 11 good spikes and Holt had 9. On dinks Pickens and Tyler did a good job and Pickens also had the most drives.

It was a good defensive game with everyone doing well in service reception. Tyler, Bacote, Holt and Tharpe were the most outstanding in getting the ball up defensively.

Wingate was defeated 15-6; 15-0. There were no problems in this match, according to Mrs. Collins and not too many errors were made.

Chowan out-scored Wingate 4 to 1 with Tharpe, Pickens, Holt and Tyler having the most consistent.

Offensively Chowan out-played them at the net 14 to 1. Bacote, Tyler, Ross and Holt had the most spikes in the match. Ross, Tyler and Tharpe each had three dinks and Pickens had four drives.

Penalties, Dropped Passes, Poor Kicking Mar 7-0 Loss

By HARRY PICKETT

Plagued by poor field goal kicking, punting, pass-receiving and penalties, the Chowan Braves' football team suffered its second straight Coastal Conference loss Saturday, October 22, dropping a 7-0 decision to North Carolina neighbor Lees-McRae.

Chowan, which took it on the chin last week against arch-rival Ferrum (14-0) for its first league setback, drops to 4-3 and 1-2. The Braves lone conference victory came over Potomac State (20-21). Lees-McRae climbs to 4-1 overall and 3-1 in league

play, one game behind conference leader Ferrum.

The Braves who have had problems with their kicking game all season, missed three field goal opportunities Saturday. Chuck Amos missed from 47 and 17 yards out and Todd Moore was short from 41 yards.

Penalties also stumped the Braves' scoring efforts. The home team amassed 85 yards worth, with a 15-yarder coming to open the game, and a roughing the kicker penalty four plays later. The biggest penalty, however, came with 9:01 left in the

fourth period when Percy Godette, the conference's leading rusher, scampered in the end zone from seven yards out, only to have it called back because of a holding penalty. Fullback Tommy Jones fumbled on the Lees-McRae 13 one play later, halting the Braves closest penetration.

Chowan completed just three of 19 passes for the afternoon. Xavier Love, the Braves quarterback, completed two of 14, most of which were dropped by Brave receivers. Eric McDaniels, who injured a knee against Ferrum last week, made a surprise appearance in the fourth quarter. He was one of five for 15 yards. Love connected for 20 yards.

The Bobcats drove 52 yards on their tally in the third period. Fullback Ron Owens swept off-tackle from 15 yards out to cap a 9-play drive with 4:47 left in the quarter. Russ Carpentier's conversion was perfect.

Defensively for Chowan, linebacker Allen Poston led the way, clawing for 12 tackles and 13 assists. Tackle Danny Jones had 10 tackles and 11 assists for the day and defensive end Robert Brown fought for nine tackles and 2 assists, plus a fumble recovery and a sack.

Godette led the offense, notching 100 yards on 24 carries. Amos Jordan had 12 35 yards receiving from three recep-

tions.

Braves Fall to Ferrum Third Year in Row, 14-0

By HARRY PICKETT

FERRUM — For the third consecutive season, Chowan College has fallen victim to a Ferrum College defeat. The Braves dropped a 14-0 decision here October 6 in a Coastal Conference football contest.

With the loss, the sixth-ranked junior college in the nation fell to 4-2 and 1-1 in conference play. Ferrum, third-rated in the country, stayed undefeated with the victory here at Adams Field, moving to 5-0 and 3-0 in loop action.

Chowan last conquered the Panthers in 1976 with a victory at home. But since that time, Chowan Coach Jim Garrison and the Braves team have suffered frustrating defeats to their arch-rival.

In this year's contest, another frustrating day came, beginning with the knee injury of starting quarterback Eric McDaniels early in the second period. McDaniels, who is the total offensive leader in the Coastal Conference, was carried off the field after scrambling in heavy traffic.

The Braves could generate very little offensively against the stingy Ferrum defense. Chowan chalked up just 136 yards total. Tailback Percy Godette carried 23 times for 55 yards, and reserve quarterback Xavier Love tackled on 65 through the air.

A scoreless first half saw two nationally ranked powerhouses each shut down the other's offensive efforts; and the second half looked as if the game would end scoreless, too. But a bad exchange from reserve quarterback Mike Stewart (who came in for the injured McDaniels) to fullback Tommy Jones late in the third period, resulted in another turn in the Panthers favor.

Defensive tackle Ron Amodeo pounced on the loose ball at the Chowan 20, setting up a four-play drive which culminated with fullback William "Boo Boo" Trent bulging over at the one-yard line. Barry Reed's conversion was

perfect, giving Ferrum a 7-0 margin with 1:02 left in the third quarter.

On the first play of Chowan's next series, Stewart again made a bad exchange, this time with tailback Godette on the Chowan 31. But Ferrum then fumbled it right back after its recovery, losing it on the Chowan three. Defensive end Hal Henderson came up with the ball. A personal foul gave the Braves the ball on the Ferrum 15.

But disaster struck again.

On Stewart's first attempted handoff of the fourth quarter, again a bad exchange with Godette was made, and again Ferrum recovered — taking over on the Chowan 20.

Five plays and a couple of minutes later, Ferrum's Steve Burton scampered in the end zone from nine yards out to increase the Panther lead. Reed came on to boot, putting his team ahead with the final tally, with 12:55 left.
