Lady Braves in Second Spot As Hoop Season Winds Down

By KATHY TRAMMELL
Chowan's Lady Braves are winding down the 1980-81 basketball season ranked second in Region X with an 18-2 record.
The Lady Braves on January 30 beat Spartanburg, who at the time was ranked fourth in the region. Braves didn't play well in this game due to a bad trip down there but ended with a final score of Chowan 71, Spartanburg 59. Judy Douglas scored 20 points followed by Carolyn Kelly with 10.
The next day Chowan defeated

Anderson which was ranked second. Braves played extremely well and looked good. Douglas scored 22 points followed by Donnie Stephens and Sandra Dixon, each scoring 16 points.
February 4 against Louisville, the Braves worked hard and showed much effort. First period ended with a score of 47-43, Chowan's favor. Time out was called with 21 seconds left in the second period — Chowan 83 Louisville 84. Due to missing free throws the game ended with a final score Louisville 85 Chowan 83.

February 6 Chowan overpowered North Greenville. At halftime Chowan was ahead by 2 points. Braves regrouped and played better in second half, to win by 18 points. Stephens scored 14 points, Genger Jefferson scored 11 points. Game ended with an ultimate score Chowan 82, North Greenville 64.
February 9 Chowan demolished Mt. Olive. Earlier in the year Chowan beat them by 9 points. Braves played this game very well. Coach Roy Winslow started the game with the second team which played more than half and did an excellent job. Game ends with a conclusive score Chowan 96 Mt. Olive 57.

February 10 Chowan upset University of North Carolina Jayvees. Before Christmas at Chapel Hill, Chowan beat Jayvees by 17 points. Chowan showed good consistent play through out the game. In the first period the Jayvee players kept getting in each others way. In the second period the Tarheel's tried hard to make a comeback but the Braves took control of the game and won 88-44.
Star players of these games were Douglas who has done an outstanding job and Tina Midiri who has been outstanding at point guard. From a leadership position, Stephens and Dixon handle the ball and runs the show on the floor. These are four starters who have started consistently.
Denise Jordan and Sue Check have shared most of the other starting roles. All the players contribute and we count on each one.

The Braves now average 84.7 points per game. They are working hard to go as far as they can. Number 1 goal is to be in the Regional Tournament and win that to qualify for the Nationals.
Biggest game in regular season schedule is against Peace College in Raleigh. Braves must win this game to be assured of 2nd place in Eastern Division of Region 10. The Eastern Division Tournament of regional teams will be held February 25-27 at Peace College. The top two teams in the finals of this tournament will represent the Eastern Division in Regional Tournament March 4-5 which will be held here at Chowan.

Campbell Pool Open for Spring

By CAROLYN GREGORY
Campbell Pool will be re-opened for classes starting Wednesday February 18 and for recreational purposes on Sunday March 1, according to Daniel C. Surface, chairman of the Department of Physical Education.
The pool was closed for the winter months to save on the fuel bill. The amount of money saved will not be known until the end of the year.
"If a large sum of money is not saved, the pool will probably remain open during the winter next year," Surface said.
As to some of the problems experienced soon after the pool opened, Surface stated, "There was a leak with the automatic chlorinating system before, but to my knowledge everything has been corrected."
Surface said he was told by Jack Hassell, Superintendent of buildings and grounds, that everything is ready to go now.

Coach Steele said, "Carl just came out for the team a week ago, and his job was to keep the Braves from having to forfeit. Johnson replaced Scott Gregory who went home because he couldn't hack it."
Carl surprised everyone when he beat Brusso. The reason for his success was Carl's physical style. The Apprentice coach asked Coach Steele whether he fed Johnson nails for dinner. Johnson

won the match 8-7 by escaping in the last seconds and then winning on a penalty call after Brusso backed away from him.
John Brobst was pinned by Scott Windro at 190. At Heavyweight the Braves were forced to forfeit as David Leman was benched for disciplinary reasons, due to poor sportsmanship in an earlier match. Final score Apprentice School 21, Chowan 18. Had Leman been able to wrestle the Braves would have won by 3 points, Coach Steele asserted.
On February 20-21 Braves were to travel to Mid-Atlantic Regionals, at Altoona, Pa. Scheduled to compete for the Braves were: Hobbs, White, McGinnis, Brobst and Leman.

Trustees Elect Arnold; Approve Charter Change

The Rev. J. Felix Arnold of Enfield was elected chairman of the Chowan College Board of Trustees and Miss Emma Gay Stephenson of Durham, vice chairman at the semi-annual meeting February 9.
L.M. Brinkley of Ahsokie was elected Executive Committee chairman.
President Bruce E. Whitaker told the board the college is on its way to operating in the black for the 23rd straight year. He stressed the importance of a successful Annual Giving Program to enable the college to maintain its long record of fiscal soundness.
He pointed out the increasing need of students for financial aid and work study assistance especially among middle income families.
Bobby Cross, director of development, encouraged trustees to help the college reach its immediate endowment goal of \$5 million and to pursue a goal of \$50 million within a generation.
Indebtedness on the \$2.75 million Jesse Helms Physical Education Center is now below \$600,000, Business Manager Ben Sutton reported. He explained that this is covered by pledges made during the campaign.
Dean of the College B. Franklin Lowe, Jr. reported the fulltime equivalency enrollment for the spring semester is 1,001, similar to last year.
Trustees were challenged by Whitaker to help the college recruit qualified high school students in their communities.
In other business, the board approved changes to Section 2 ("Administration of Corporation") of the college charter in keeping with a request of the Baptist State Convention of North Carolina.
The amendment reaffirms the relationship existing between the college

and the Baptist State Convention. It includes the addition of the language, "Nor shall the Board of Trustees have the power to alter the charter of this corporation in any way which would affect either the basic purpose of the college... or its relationship to the Baptist State Convention of North Carolina, without the prior approval of the convention."

personal problem and needing someone to talk with to wanting someone to see their room. "The student just doesn't think that he or she will get caught," Winslow added. "They are often seen or heard before they are caught."
The number of violations in the visitation policy ranks third only behind violations of the alcohol policy and the honor code.
There is a possibility that weekend visitations may be instituted.
The new policy would have to be practical and good for the college's image. If the policy is adopted, the student would have to escort the guest to their room. Both of the members would have to sign in. The person can be a guest of only one person at a time. When the guest is ready to leave, the student would have to escort him back to the check-out point and both members be signed out.
The new policy, if adopted, will only work if the students make it work. It will be used as a trial to see how it will go. If the policy works, it may be put into practice. "Only the student body can decide whether it wants the policy to work or not," Winslow noted.
