## Brave Gridders Ink Pacts With Four-Year Schools

Charles Burgess, 6'1", 226 pound defensive end for the 1983 Chowan football Braves, has signed to continue his football playing career at the University of North Alabama, located in Florence, Alabama.

Burgess was the second leading tackler for the 7-2 Chowan Braves with 71 tackles and 6 quarterback sacks to his credit. He was selected to the NJCAA All-Region X team and captured the Most Valuable Defensive Player award for his performance in the '83 Coastal Conference All-Star game.

Charles is the son of Mrs. Charles Burgess, Jr. of Route 7, Morganton and he graduated from West Caldwell High School in Lenoir, NC.

Ricky Morris, a 6'1", 165 pounder who hails from Charleston, SC, has become one of three Chowan College defensive backs to sign at North Carolina State University. Morris, who graduated from Bonds-Wilson High in Charleston, was a starter at cornerback for the 1983 Chowan Braves, who finished the season with a 7-2 record.

Ricky, the son of Mrs. Claudine Morris of 4314 Jimtown Drive in Charleston, SC, will join the Wolfpack in January to be available for Spring practice.

Jeff Gethers, a two-year starter at cornerback for the Chowan College football Braves, has recently signed a grant-in-aid to play with the North Carolina State University Wolfpack. Gethers, 5'11", 170 pounder from Cross, SC, will transfer to NCSU in January to be available for Spring practice.

Selected to the NJCAA All-Coastal Conference and All-Region X post season teams, Gethers was the fourth leading tackler for the 1983 Braves, who finished the season with a 7-2 record.

Also a punt returner, Jeff did not muffle an opportunity in two years. He was selected as a permanent team captain; named to the NJCAA Second Team All-American Squad, and played in the Coastal Conference All-Star game. Jeff is the son of Mr. & Mrs. Wesley Gethers of Route 1, Cross, South Carolina.

Mike Bowser, a 6'1", 175 pound safety for the Chowan College football Braves, has recently signed a grant-in-aid to play with the North Carolina State University Wolfpack. Bowser, who hails from Plymouth, will transfer to NCSU in January to be available for Spring practice.

Named to the first team NJCAA All-Region X and Honorable Mention All-Coastal Conference teams, Mike posted 43 tackles, 4 pass interceptions, and 1 blocked punt for the 7-2 Braves, whose defense gave up only 10.3 points per game and whose secondary gave up an average of 70 yards per game.

Bowser is the son of Mr. & Mrs. Steven Hoggard of Freeman Street, Plymouth, North Carolina.

Chowan's football standout defensive tackle, David Kramer, has signed to join the East Carolina University Pirates for the next two seasons. The sophomore Honorable Mention All-American will report to the Pirates' camp in January.

Selected to the NJCAA All-Coastal Conference and All-Region X post season teams, the 6'4", 247 pound Kramer had 64 tackles and 3 quarterback sacks for the 7-2 Braves this past season. He was a Braves' permanent team captain and played in the Coastal Conference All-Star game this past November.

David is the son of Mr. & Mrs. David Kramer, Sr. of Canal Street, Grasonville, MD, and a graduate of Queen Anne's High School.

## SHOT BLOCKERS

It is hard to shoot when you're surrounded. This Peace College player found out recently surrounded by Missy Parker (44), Kelly Myers (20), and Elizabeth Stillwell (23). Chowan pulled out a 67-65 overtime win. (Staff photo by Ken Keefner)

Nate McMillan and David Burgess (right) took the pressure off themselves early in the basketball season by inking grants with N.C. State and VPI respectively. Both said that it would be easier to have the signing out of the way, thus giving them more time to concentrate on winning for Chowan.

## Braves Beat Anderson

By Jerry Sutton

After losing twice to a good team like Anderson over the holidays, one would think that the Anderson team would do it again even at the Braves home court.

To their surprise, the Braves had different thoughts about it, as they totally dominated the whole game.

Winning the opening tipoff and also getting the first points of the game were just something that show aspects of how the game was going to go.

The Braves showed very aggressive tendencies on defense as they forced Anderson to turn the ball over more than expected. Then, came center David Burgess' slam-dunk to get the crowd going. His was one of many to come in the game.

Having stolen the ball, after great defensive play, freshmen forward Jerome Cooper slammed for the second slam-burger of the game.

As the game went on the Anderson team showed flashes of coming back, but soon those flashes were to stop as the Braves team ran off 14 unanswered points as the first half ended.

The score at the half, Braves 47, the visiting Anderson squad from South Carolina, 31.

## Lady Braves IN OT Win

By Jerry Sutton

When asked about the abilities of the Peace College team Coach Scott said "I saw them in a game in December, and they've improved since then."

This was clearly evident as the game was close through-out both halves.

"We didn't play that well in the first half by not capitalizing on their turnovers as we should've, but in the second half we played better," added Coach Scott.

As the second half clock ticked down to 39 seconds and the game tied up at 57, there was a jumpball situation which resulted in overtime.

In the overtime of five minutes there were five lead changes and many chances for each team to walk away with a commanding lead.

The result was a Brave attempt to win it. A shot failed, but sophomore center Candi Boney was fouled with no time remaining and the game knotted at 65.

The Helm Center became quiet as very calmly Candi hit both shots to gain a victory for the Lady Braves.

Final, Chowan 67, Peace 65 in overtime.

## Columns

(continued from page 1)

Sutton said the heat in the Columns was off for two days before parts could be obtained and repairs made.

The auditorium's ceiling was destroyed and is now being replaced. Sutton said the carpet and seats will not have to be replaced. Chapel-assembly programs will resume when the auditorium is reopened.

The damage was covered by insurance, Sutton stated.
