## Lakeside Student Center

By Vic Hall and Vic Tedder

For you students who haven't noticed yet, our student center has more to it than your empty mailboxes. We now have five newly covered pool tables, two ping pong tables, a game room with nine video games to choose from, a television room, and a lounge area with many of your favorite magazines to read. These are located in front of the offices of Coach Anthony, the center's director; and the SGA sponsor, Ms. Pam Riddle. There are washers and dryers for use any time during the day. We even have our own roller skating

rink—bet you didn't know that—you can sign out a pair of skates for only 50 cents an hour! The person we spoke to at the center is hoping that a new floor will be installed for skating soon.

Outdoor possibilities include tossing horseshoes or signing out a canoe and exploring Lake Vann. The old tennis courts (though, in our opinion, are an eyesore) may prove to be challenging for some, also.

So, when you are passing time between classes, go use the facilities. It's your student center too!
