

Braves meet tough teams in first games

Our Chowan Braves' football season is off to a rough start this year. On September 5th, the Braves met the Apprentices of Newport News.

In the first quarter, Chucky Ingrams' beautiful 68 yard run through the broken field tied the game at 6-6. A slow second and third quarter left the Braves on the tail end of a 27 to 6 score going into the fourth quarter. With 8:39 left in the game, Silas George caught an 11 yard Corey Simples pass to bring the score to 27-12. The final score of the game was on an 8 yard run by Simples. That was followed by a 2-point conversion pass

that George received from Simples. Final score: Apprentices - 27 Braves - 20

Defensively, the Braves were lead by their linebackers including Ben Perry (15 tackles), Bernard Siaki (13 tackles), and Steve Dees (10 tackles).

Volleyball champions are named

Beach volleyball is the fastest growing sport in the United States, and if you haven't been keeping an eye on the beach courts located next to the Braves Den, you have missed some good action.

Larry Meeks, head of Chowan intramurals, organized a very successful beach volleyball tournament. The event lasted several weeks, the first of which were for the purpose of placig or seeding each two-man teams for the upcoming tournament.

After playing in the normal season, each team was placed in round-robin single elimination tournament that lasted approximately two weeks. Each of the 19 teams got the chance to play about every other team in the regular season, thereby giving a fairly accurate measure of the placement in the tournament that they should receive.

After all was said and done, the champions were the team of Jonathan Taylor and Andy Jones with a perfect record of twenty wins and no losses. Second place went to Shane Crandal and Don Donatello. Each member of the first and second place teams received trophies (and bragging rights) for their efforts.

Recent rains provided Chowan students with activities in center campus found only at the beach.

Chowan College Department of Education SURVEY

Chowan College is offering a program leading to teacher certification beginning in the fall semester of 1992. The Education Department would like to know how many current students think they might be interested in a career in teaching. Your response to this survey will help us determine which programs to offer now and in the future. Filling out this survey will not commit you to the education track. If you think you are interested in becoming a teacher, please fill out this form.

Thank you.
