Braves lose Homecoming Game

By Lee Stephens

Homecoming was not a pretty sight for the football team this year. It ended the Braves season with one win and seven losses. In the 39-6 loss, Chowan still couldn't get over the turnover plague that hindered them all year. Faced by North Greenville Mounties, Chowan came out with a pass oriented offense led by Claig Boyce, who threw for 69 yards on 14 passes completed. The pass rushing off the Mounties forced 5 interceptions.

The Chowan defense, which held the Mounties to 168 yards total offense, was led by linebacker Steve Dees who compiled 13 solo and 5 assisted tackles. He also had one interception. Linebacker, Bernard Siaki, piled up 8 solo and

4 assisted tackles. The Brave stand-out receiver, Silas George, had 94 return yards on the Mounties 6 punts. The Braves only touchdown was scored by Chucky Ingram, on a 19 yard run in the first

quarter. The Brave had 69 total yards. This was the Braves' last Junior College Football game; next year commences the Braves first year as Division 3 playing only four year colleges.

Basketball

reached the "sweet sixteen" of the NJCAA tournament last season.

The Region X race should be competitive. As usual, Spartanburg Methodist and Louisburg College should be tough competitors for the title. Also North Greenville will return after a one year absence from the courts. According to coach Burke, these inter-conference games will be a major challenge for the team.

"Because we are the defending champions, our opponents will be that much more determined," Burke said. "Road games will be especially challenging because most every school we play will heavily promote the game against Chowan."

The 1992-93 edition of the Chowan basketball team should prove to be exciting to watch. Coach Burke has a fine reputation of blending returning veterans with talented newcomers to form an over powering force on the basketball court.
