

# Sophomore Operates Ham Radio Station

Bill Creekmore, a sophomore student, has brought his hobby, ham radio operation, with him to the North Carolina Wesleyan campus.

Bill received his ham radio operator's license when he was fourteen. After entering North Carolina Wesleyan College in 1960, he decided to share his radio equipment

with the college. The station was given a location, and K4HU14 became its call letters. Bill's enthusiasm spread to another member of the sophomore class, Louis Womble.

These two boys have been working hard to improve their project; they even worked on it during the summer. Bill and Louis have extended an invitation to the college community to join them in the Ham Radio Station Club. Membership in the club is not limited to male members, but is open to any interested person. The purposes of the club are:

- (1) to stimulate interest in amateur radio and electronics,
- (2) to aid students in securing a ham radio operator's license,
- (3) to render services to the students by phone patches.

Those interested in joining the Ham Radio Station Club may contact Bill and Louis; they are usually at the station from 12 to 1 p. m.

## Dickie Moore Named To Cabinet Of SGA

The sophomore class will be represented this year in the cabinet by Dickie Moore. Dickie, who is from Rocky Mount, attended Wesleyan last year also.

The cabinet is the branch of the Student Government Association which attends to daily matters of concern to the student body. Dickie will, among other duties, serve on the Constitution Sub-Committee, which will propose amendments to the constitution in an effort to make it more democratic.

The freshman representative to the cabinet will be chosen by the freshman students in the forthcoming elections. Faculty advisor to the cabinet is Dr. James A. Hailey.

## Evening Vespers Inspire Students

In the quiet aloneness of the chapel

I sit with myself, my conscience, my God.

An important part of the development of the student is his spiritual education. For this reason vespers and held every Sunday night in the campus chapel.

The Sunday Evening Vesper Committee is composed of Joan Lamberth, Charry Gorham, Louise Kempley, Faye Ellington, Larry Deynolds and Richard Tripp. The function of the committee is to plan programs which will be of interest to college level students.

Vespers are held each Sunday night at 7 p. m. in C-117, the temporary chapel. The committee is working hard to have programs that will be interesting and give that special way to start the week out right. Everybody is urged to attend.
