

## Spring "Blow Out" Features Rufus Thomas

Rufus Thomas will be on campus May 15 for the "Spring-Blow-out". Thomas accompanied by the Larry Dell Orchestra will present the songs he and his group made famous. Students will be dancing to such hits as: "The Dog", "Do the Dog", "Walking The Dog," "Alright", "Jump", and "All Night Worker."

These records by Thomas have sold several million copies, with his first smash recording "Dpo the Dog" reaching the number one record spot in the nation. Thomas's music is of an infectious quality. A dancer cannot refrain from joining the others gyraters on the floor in the wild dances which have sprung up since "the Twist."

The "Blow-Out" is sponsored by the Social Commission and is under the direction of Grace Markham, Rita Abernathy, and Baxter Myers. It will be held in the Student Union from 8:00 to 12:00, and Dean Cordts has given late permission of 12:30 to women resident students. The "Blow-Out" is open to all students and casual dress is in order. Tickets are \$1.00 per couple.

## Graduation Concert Scheduled

The Second Annual Commencement Concert at North Carolina Wesleyan College in Rocky Mount will be presented on Saturday evening, May 22, at 8:15 in the new Gymnasium, when the Wesleyan Singers, under the direction of Dr. William Sasser, will present a complete performance of George Frederick Handel's "Dettingen Te Deum." Accompanist for the presentation will be W. Ted Gossett, organist, of the college's music faculty. Rehearsal accompanist for the Wesleyan Singers is Jane Ward of Roanoke, Virginia. Soloists for the evening's performance will be Ted Turner, tenor, of Ocean-side, New York; Melvin Dowdy, baritone, of Richmond, Virginia; and Margaret Poole, alto, of Thomasville.

The "Dettinger Te Deum" was written by Handel in 1743 to celebrate the English military victory at Dettingen in which King George II personally led his troops. The first performance took place on November 27, 1743, during the Thanksgiving service in St. Paul's and was a great success for the composer. Its success was not surprising, for seldom has a composer succeeded in achieving such an impressive synthesis portraying the emotions of a whole people, from festive jubilation to devout gratitude.

One of Handel's most outstanding choral compositions, the "Dettingen Te Deum" will receive here what is believed to be its first complete performance in the state. The public is cordially invited to attend this festive performance.

## Amendments To Constitution And By-Laws Proposed By Senate

At the May 3, 1965, Senate meeting, a group of proposed amendments to the Constitution and By-Laws were proposed.

According to Guy Turner, current V. President and next years President of the SGA., a constitution provides a framework with which to work. Any constitution will require adjustments as new situations arise. The Constitution and By-laws drawn up last year were completely different from any previously established rules. The writers of the Constitution couldn't foresee specific problems in the Constitution and By-laws, but, realizing there would be problems, provided a clause in the Constitution which made it possible to change it. By using this clause these amendments may be incorporated into the government.

The Senate ask that you read these amendments which are vital to you, the student. They will in effect shape your life at Wesleyan. Discuss them with other students and voice your complaints or approval to your Senate representative.
