THE DECREE

## Senate Sets New Pool Regulations

At the April 25th meeting of the Wesleyan student senate new regulations concerning the use of the pools at Hal Orr's and Coral Court motels were passed. The rules are practically the same as the ones used last year. Some discussion came up at the meeting concerning the fact that many students used the pool last year without purchasing a pool pass. This year pool passes will be checked!

The pay rate for monitors at the pool was lowered from the \$1.00/hr. of last year to \$.85/hr. Complaints had been received that the wage for pool monitors was more than that for other student jobs on the campus.

The pool regulations in their entirety are as follows:

Effective April 26, 1966

(1) Two monitors will have complete control of both pools and will be in power to interpret all rules and regulations governing the pool's use. These monitors will be on duty from 12:00 - 4:00 P.M., seven days a week. Neither monitor will be responsible for accidents in and around the pools.

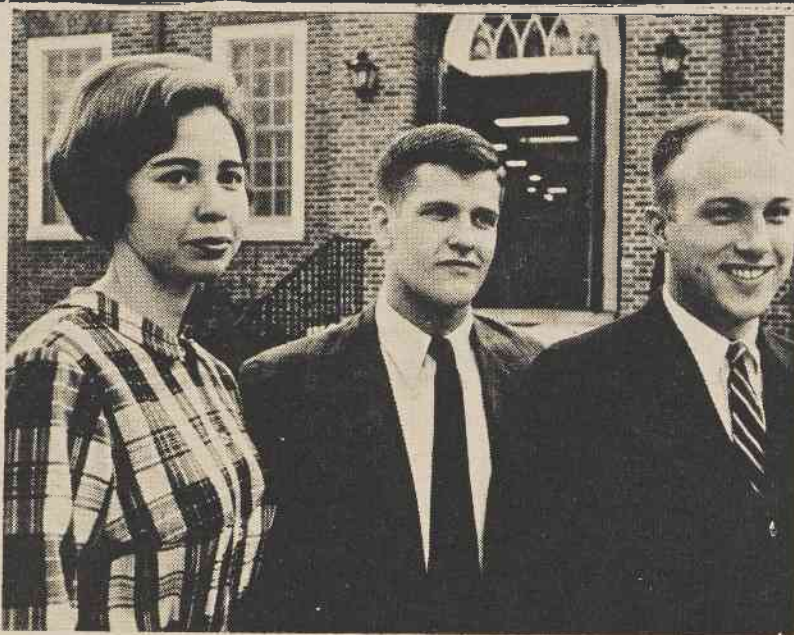

(2) Both pools will be restricted to swimmers only. This will be enforced at the discretion of the monitors.

## Class Elections Slated May 6

On May 6 Wesleyan students will have the chance to cast their votes for the candidates of their choice to assume the responsibility of class officers for the coming academic year. The elections will begin at 8:00 and the polls will close at 4:00. The students are urged to vote and to consider their vote very seriously.

Candidates for the various offices are as follows: Senior class -- Pres. - Bill Gruver and Tim Isaacs; Vice Pres. - Jo Ann Blow; Sec. - Sara Nell McBride; Tres. - Terry Conway; Junior class - Pres. - Richard O'Neal; Vice Pres. - Jack Winstead; Sec. - Claire Anderson and Maggie Poole; Tres. - Doug Windes; Sophomore class - Pres. - John Porter and Danny Lea; Vice Pres. - Nann Brown; Sec. - Ruth Nowell and Debbie Pazin; Tres. - Mary Ronan.

These students are all active in and concerned with the progress and activities of Wesleyan's campus. They each have a desire to serve as an officer. The student body is urged to support their candidates and to vote. Those elected can be successful only if they are given support of the student body and this support will begin at the polls on May 6.

Newly elected Student Life Association for 1966-67 are (l. to r.) Allen Ragsdale, "Doc" Blanchard, chairman, and Tom Cheshire.

(3) Both pools shall be limited to 30 persons.

(4) For Hal Orr's; no parking around the pool and only un-numbered parking spaces are to be used by students.

For Coral Court; no parking around pool or motel rooms.

(5) No bottles, candy, food and gum on the deck of the pool and all empty bottles and trash must be placed in proper receptacles.

(6) No hair pins of any type may be worn in the pools.

(7) No excessive horseplay in and around the pools. Interpretation of this rule is left to the discretion of monitors.

(8) Either Court may revoke use of pools at any time.

(9) Pool passes must be purchased, at a cost of \$.50, and will cover use of the pools until June 2, 1966. Pool passes are not transferable and must be signed in pen to be valid. The passes will be sold in the bookstore.

Pool passes will be checked!

(10) Monitors have the power to request a person or persons to leave the pool due to violations of the above rules and at the request of Motel managers. The names of violators will be submitted to the SLA, which has the power to revoke pool passes and to ban use of the pools to any individual.

## Players Present "Visit To A Small Planet"

Lights! Camera! Action!

The Wesleyan Players are acting up again. Making their debut this time on May 11 at 8:15, the Wesleyan Players, under the direction of Dr. Batchellor, will present "Gore Vidal's 'Visit to a Small Planet.'"

The play is concerned with a visit made by a figure from outer space who has come to "a small planet" Earth in order to observe the Civil War. Due to an error on the part of the visitors time machine, how-

ever, he arrives on Earth in 1966. Disappointed because he has missed the war he finds the situation ripe to start one of his own. In the play the playwright, Gore Vidal, takes up such things as the Pentagon, the Cold War, young love and provides a comedy like that of vaudeville.

The cast for this production includes Bill French, Bryan Stearns, John Dubel, Edith Nurse, Don Dare, Barbara Brown, Joe High Smith, Carolyn Estes, Cliff Seyler, and Jim Warren. Some of the cast are "old hands," but others are new-comers to the world of theater. Dr. Batchellor is very pleased, however, with the interest, enthusiasm, and progress of everyone.

The play will be performed nightly from May 11-14 at 8:15 in the gym. Tickets are on sale for \$1.00 and \$1.25 in the bookstore, Almonds Drugs, Pick-Wicks or from any member of Wesleyan Players.

## Blanchard To Head S.L.A. For '66

On Friday, April 22, elections for the judicial board of the S. L. A. were held. "Doc" Blanchard, a junior math major from Ahoskie, Allen Ragsdale, a freshman from Waverly, Virginia, and Tom Cheshire, a junior psychology major from Rocky Mount were nominated from seven candidates for the three man board. Blanchard, who polled the most votes will assume the position of chairman of the board.

The judiciary board is composed of a chairman, two other members, and the Dean of Students or his appointed representative. It will appoint specific committees to review cases of concern.

The prime functions of the board are to interpret the constitution and to determine what action to take concerning a student found guilty.

## Contracts Awarded For Library And Classrooms

### Construction To Start Immediately

Contracts for construction of a new library building and a classroom addition to the gymnasium at N. C. Wesleyan have been awarded to two local firms at a

total cost of \$472,706, according to an announcement by Dr. Thomas A. Collins, college president.

D. J. Rose and Son, Inc. was awarded a contract of \$305,200 for general construction. Three contracts were awarded to Pemberton, Inc. for plumbing \$16,893, for heating and air-conditioning \$103,640 and for electrical work \$46,973. They submitted low bids on the combined project, which is scheduled to be begun immediately and completed within twelve months.

The Library, to be constructed north of the Pearsall Classroom Building, will be a single-story building, conforming to the colonial architecture of the other twelve campus buildings. It will cover 15,260 sq. ft. with space to accommodate 278 readers and to house 62,738 volumes. Adequate staff and service will also be provided. The plans were drawn for ease of future expansion of all facilities when the student body grows beyond the 800 projection for the present construction. Complete furnishing, including carpeting, will run the Library's capital outlay to more than \$450,000.

The classroom addition will provide 3,468 sq. ft. with connecting corridors and flexible dividers for as many as three classrooms. It will be joined to the north wall of the present gymnasium. In addition to general classroom use, it will provide more adequate practice room for the band and dra-

matic organizations, which use the multi-purpose gymnasium, presently the only large assembly facility on campus.

Costs of the two projects were largely underwritten by a Federal grant of \$178,700 and a Federal loan of \$277,000. Several gifts, particularly those of \$20,000 from Miss Vivian Braswell and another \$20,000 from Mr. and Mrs. Thomas J. Pearsall, all of Rocky Mount, as well as a grant of \$25,000 from the Z. Smith Reynolds Foundation of Winston-Salem, were earmarked for the Library.

"Other gifts and grants are still being sought," said Dr. Allen F. Cordts, director of development for the college. "It would be fine to secure additional funds to reduce the need for Federal financing."

The bids, which had been called for by Lashmit, Brown and Pollock, architects of Winston-Salem, were opened at a special meeting of the Board of Trustees on April 7. The buildings and Grounds Committee, headed by Pearsall, awarded contracts after review and approval of Federal authorities.

"We now need an Auditorium-Fine Arts Center, a Chapel and additional residence halls to complete the first phase of our building program, which is lagging somewhat behind our 1968 goals," Dr. Collins said. "However, we are almost a year ahead of our goal of 800 students. We must renew our efforts to clear outstanding pledges and seek other funds to provide facilities to care for as many as possible of those who seek admission of N. C. Wesleyan."
