

Who are you to judge us ? "Let he who is without sin cast the first stone" Ms.Carpenter. As written in Ecclesiastes 8:15, "A man hath no better thing under the sun, than to eat, and to drink, and to be merry". Be careful with your judgement Michele, for someday you will be judged also.

About the priveledge to party off campus, that priveledge can neither be taken or given. What we do when we leave this campus is our own d@m\$ (censorship) business, why is everyone sticking their noses in it ?

A final word to Ms. Carpenter, the majority of the students are laughing at you. Insider thinks he/she has said enough.

If evry one really wants to know who Insider is, I'll tell you. I am.....The walrus, koo koo ka choo. I am the caped avenger flying with the speed of light towards justice for all students. And now my ending quotes.

To Michele Carpenter I quote Voltaire, "I disapprove of what you say, but I will defend to death your right to say it". To the students from me, regarding the administration, "I don't give them hell. I just tell the truth and they think it is hell", thanks to Mr. Truman for that quote. AMF.
