

In Memoriam

Mrs. Alma S. Clifton who was employed in the Main Office for more than a quarter of a century was a part of the growth of the office force from four employees to the present force of fifty employees.

Alma Sizemore attended Oak Ridge Military Institute. After graduating from the high school, she completed the business course there. She married Mr. B. E. Clifton March 24, 1927.

When Mrs. Clifton came to work the office was located on the south side of English Street in the space now occupied by the Sample Room. Her first duties were to copy orders and invoices. Of the four employees of the Office at the time of her employment, only two are still employed: Miss Claudia Lamb and Mr. J. W. Rose.

On January 26, 1949 Alma succumbed to an illness of over two years. She had worked intermittently since an operation in the summer of 1946.

Mrs. Clifton possessed a quiet unassuming personality which won for her the love and respect of everyone with whom she came in contact. She was most loyal and faithful in her work.

Having worked in excess of twenty-five years, she had participated in the Profit Sharing Plan of Adams-Millis Corporation since the plan was inaugurated and had accumulated to her account \$1066.45 plus 1948 and 1949 contributions. She had designated as the beneficiary of her benefits her husband, B. E. Clifton, who has already been paid \$1706.00 as beneficiary of the life insurance issued as one of the benefits of the Profit Sharing Plan. He will also be paid all cash accruals when the exact amounts are known.

Since Mrs. Clifton was employed by the company during the month of January, her account will be credited with the service units for the entire year 1949.

Our safety record looks good for the first four months of the calendar year. Only one accident involving loss of time has been reported. A total of seventeen accidents without lost time includes five accidents resulting in injury to the eye.

Protect your eyes when using the emery wheel. Allow no one except persons designated by your foreman to attempt to remove foreign body from your eye.

Other accidents this year resulted in: 3 injuries to the hand, 1 bruised chest, 1 arm injury, 3 leg injuries, 2 injuries to the face, 2 injuries to the foot, 1 scalp injury.

**ADAMS-MILLIS
SAFETY RECORD**

**Annual Meeting of
Stockholders Held In March**

At the annual meeting of the stockholders of Adams-Millis Corporation in March James H. Millis was elected Assistant Treasurer.

He entered a training program upon his discharge from the Army Air Corps in February, 1946 and worked in practically every department in the Plants during 1946 and 1947.

Upon completion of his training in Plant Management, Jim was assigned to the Accounting Department where he has since been working.

Other officers re-elected at the March meeting were:

- J. ED MILLIS President
- HOWARD D. JOBE Vice President
- R. MAYNE BUNDY Vice President
- T. LYNWOOD SMITH Vice President
- T. CARL LANGLEY Secretary-Treasurer
- H. O. WILLIAMS Assistant Secretary
