

TWO RETIRE AT PLANT THREE

ZEFFIEREE HUNTER

Mrs. Zeffieree Hunter, looper at plant three since 1930, has been retired due to physical disability. Her request for retirement has been approved by the Retirement Committee, and her Profit Sharing benefits paid in a lump sum.

Mrs. Hunter lives at 114 Eccles St. in High Point. She is pianist at Emanuel Baptist Church.

Mrs. Hunter will have two sons in Virginia Union College this year, one a senior and one a freshman.

WARREN STEELE

Warren Steele has retired from his boarding job at plant three in order that he might devote full time to the ministry of his two churches, the AME Zion Methodist Church in Troy and the AME Zion Methodist Church in Wadesville, N. C.

Warren worked for Adams-Millis several times since 1917. His last continuous employment dated back to October 1948. Since that time he had worked as an extra in the boarding room when needed.

Congratulations are certainly in order for Neal M. Pierce of our Machine Shop. On June 7, Mr. Pierce received a certificate from the American Society for Metals certifying his completion of the course of lectures on Heat Treatment of Steel. We are proud of Neal for having taken advantage of this opportunity and wish to add our congratulations to those of the Metals Society.

Our sincere sympathy is extended to Peggie McIntyre, looper at Plant #1, whose father, John Beck of High Point, passed away on May 18 following a heart attack at the local hospital.

Retirement Committee
Adams-Millis Corporation
High Point, N. C.

Gentlemen:

I wish to thank Adams-Millis Corporation for the check which I received from the Profit Sharing plan upon my retirement from the company.

I enjoyed working for Adams-Millis and appreciate all the things they did for me.

Sincerely,

Joy Patterson
