

EMERGENCY REQUEST FOR BLOOD ANSWERED

J. W. Snotherly, Personnel Director, recently received a request from Mrs. Kathleen Harris of the local Red Cross office for five type "O" positive blood donors to come to the aid of Mr. Henry Callahan, 503 Woodbury Street, High Point. Mr. Callahan, a patient in a Conway, S. C., hospital, was in need of blood of this type; and, the Charlotte Red Cross office, being unable to supply that amount of that particular type blood, contacted Mrs. Harris for local donors. Mrs. Harris, in turn, phoned Mr. Snotherly. As soon as the call went out to our plants, five donors volunteered immediately. Arrangements were made, the blood was donated and sent to Charlotte for Mr. Callahan at Conway.

The five donors who answered this special request were Nancy Boyles, Main Office; Robah Boyles, Machine Shop; Bill Hayworth, Plant #1; John Efird, Sample Department, and Tommy Bennett, Plant #1.
